

IOWA HIGH SCHOOL MUSIC ASSOCIATION INTENT TO REGISTER

(School)

(School Year)

Dear Directors:

In an attempt to reduce the possibility of penalizing your school for not complying with a registration deadline, please indicate below those festival programs your school *intends* to enter. It is the policy of the Iowa High School Music Association to email schools a reminder once the initial (registration) deadline has passed **IF** registration has not been submitted **and** this card has been returned to the IHSMA. A second email will be sent to schools on the penalty deadline whose registration has not yet been submitted. This is done in hopes of avoiding any further penalties.
