THE MISSION OF THE IOWA HIGH SCHOOL MUSIC ASSOCIATION IS:

1. To foster and perpetuate music as an art form and an essential component of the secondary school curriculum;
2. To organize and regulate festivals that assure fairness and equity and stimulate students to their greatest possible potential;
3. To establish criteria and standards for musical performance that insure the musical/educational integrity of Iowa high school music programs;
4. To encourage member participation in Association-sponsored events, assuring all participants of a nonbiased evaluation of their performances;
5. To develop programs that bring due recognition to outstanding musicians and performances;
6. To provide musical opportunities that will enrich the lives of high school students and aid in the development of a life-long appreciation of music.

IHSMA Festivals Defined

In January of 2006, the Executive Committee of the Iowa High School Music Association adopted a policy stating that, “With the exception of the All-State Music Festival, IHSMA Festivals are assessments of individual or group achievement whereby every participant has the opportunity to achieve the highest rating.”

New Director Orientation Sessions

Five High School Music Teacher Orientation meetings will be held in late August and Early September. These meetings are free of charge and will be held from 5-7 PM at the following locations/dates:

- August 25, 2008         St. Ambrose University, Davenport
  (Rogalski Center, Annex Room [East Side, Second Floor])
- August 26, 2008         IHSMA Office, Boone
- August 27, 2008         Union High School, LaPorte City
- September 2, 2008       Buena Vista University, Storm Lake
- September 3, 2008       Lewis Central High School, Council Bluffs

Each meeting will cover the rules and regulations of the association, festival dates, registration deadlines, penalty deadlines, registration procedures, and ballots for use at each festival. During the evening attendees will be acquainted with the mentorship/membership programs available through the Iowa Choral Directors Association, the Iowa Bandmasters Association, and the Iowa String Teachers Association.

All 1st, and any 2nd+ year music teachers, or teachers who are new to the state, who may not be familiar with the policies of the Iowa High School Music Association and the programs offered, are encouraged to attend one of these sessions.

Teachers wishing to participate should contact the Iowa High School Music Association either via e-mail: donna@ihsma.org or telephone (515) 432-2013 to ensure that the sessions will be held and that adequate materials are available.
Recognizing that school music programs have a community commitment that extends beyond the confines of strictly school events, and, recognizing also that there are events that extend beyond the desire or intent of the Iowa High School Music Association to administer, the Executive Committee of the Iowa High School Music Association, acting under the authority granted in the constitution, sets forth the following regulations and recommendations for governing the participation of its member schools in competitive or evaluative events sponsored by agencies other than this Association during the academic year.

1. Member schools may participate in other competitive/evaluative music events provided they also participate in the IHSMA program in instances of same-day programs. This does not apply to bands wishing to compete in parade competitions on the same date as the IHSMA State Marching Band Festival.

2. Member schools, and students representing member schools, may not compete for cash prizes other than out-of-pocket expenses.

3. Competitions and evaluative festivals, in Iowa, will not be approved if classification guidelines do not comply with those established by the IHSMA. The only exception permitted is an open competition with all schools competing in the same class.

4. The eligibility regulations of the Iowa High School Music Association are in effect for any competitive or evaluative music event that is sponsored- approved by the Iowa High School Music Association. With the exception of the main keyboard player accompanying Show Choirs, Jazz Choirs, Concert Choirs, Solos and Small Ensembles, all participants must be eligible students, in good standing, and enrolled in grades 7-12 in their respective schools. In instances of early graduation, the student loses eligibility at the conclusion of the last scheduled day of attendance.

5. Programs must be open to all students, regardless of race, creed, sex or national origin.

6. Competitive or evaluative music events, originating in Iowa, must have the written approval of the IHSMA office.

7. Multiple-day events must make use of at least one day of the weekend.

8. Participation, by any member school, in out-of-state competitive or evaluative music events shall be the sole responsibility of the involved school district provided Regulation No. 1,2, and 4 of the above are abided.

9. Sanctioned events held on days where there is a conflict with a Unified Activities Federation Calendar event are required to cooperate with schools wanting to participate in both events. If a pattern of non-cooperation is established, sanctioning may be withheld from that event in the future.

It is further RECOMMENDED that:

1. Whenever possible, competitions or evaluative events should be held on non-school time (weekends, vacation, etc.)

2. Schools should emphasize a 125-mile of half-day limitation for events scheduled on a weekday and a 300-mile limitation for events scheduled on weekends.

3. Events sponsored by the non-educational agencies should be scrutinized with extreme care. Sponsoring agencies should submit, upon request, a financial accounting to demonstrate that they do not profit unreasonably from such sponsorship.

4. Activities scheduled on the Unified Iowa High School Activities Federation calendar should be given priority in relation to programs sponsored by outside agencies.
RECORDING POLICIES OF THE IHSMA

Recording services are provided for the All-State Festival. Cameras and recorders will not be permitted in the performance area for this event.

Personal video cameras will be permitted at the State Marching Band Festival, Show Choir/Jazz Choir/Jazz Band Festival, Solo/Small Ensemble Festival, and Large Group Festival; however, the site management may designate a specific area from which to record. In performance areas where congestion is a concern, only small hand-held video cameras will be allowed (no tripods). US Copyright Law permits each performer the privilege of archiving their performance. US Copyright does not allow the sale of this video footage to anyone, or the distribution of this video footage to any non-performer.

The IHSMA will not utilize personal audio or videotapes in disputes over a judge’s ruling.

REGISTRATION INFORMATION

INTENT TO REGISTER: Enclosed with this bulletin is an “INTENT TO REGISTER” card. The IHSMA requests its completion and return. This card will provide information relative to the programs in which each school intends participation. On the day following the final day of any registration period, the IHSMA office will fax or email a reminder to schools who have declared intent to participate, and from whom no entry has been received. This is done so that any additional penalties may be avoided.

ACT TESTING CONFLICTS

Directors should be alerted to the dates of the ACT tests for the upcoming school term. Careful planning will avoid conflicts with IHSMA festival dates. The October 25 date conflicts with All-State Auditions and the April 4 date conflicts with our Class 2A Solo/Small Ensemble Festival.
AWARDS PROGRAM

ACADEMIC ACHIEVEMENT AWARDS: The Iowa High School Music Association will recognize larger ensembles - Marching Band, Show/Jazz Choir, Jazz Band, Orchestra, String Orchestra, Mixed Chorus, Concert Band, Bass Clef Chorus, Treble Clef Chorus - that excel in academic achievement and also participate in the IHSMA festival designated for that particular ensemble. This award program features two levels of designation:

- Distinguished Academic Achievement: GPA = 3.25-4.00
- Excellence in Academic Achievement: GPA = 3.00-3.24

So awards can be distributed expeditiously, the GPA of the first semester will be employed so ensembles performing at the Large Group Festival in May can receive their awards prior to the conclusion of the school year. The IHSMA is now employing a plaque recognition program in place of the certificate program used in previous years. This plaque is an appropriate 16” X 20” plaque that contains twelve spaces for ensemble recognition and will be forwarded to the deserving schools upon receipt in the IHSMA office of the application form and verification of participation in the festival can be made. Applications are included with this bulletin mailing. They may also be found on our web site: www.ihsma.org. Schools wishing to replace their certificates from previous years with plaques may purchase plaques from IHSMA using the Academic Achievement Award Plaque Order Form for previous year’s awards.

INDIVIDUAL AWARDS FOR ACADEMIC ACHIEVEMENT: The IHSMA has individual 8” x 10” certificates that may be purchased for individual members of any large ensemble qualifying for the Academic Achievement Award. These are available, in quantity, from the IHSMA office at a cost of $.10 each. Indicate the number desired on the Academic Achievement Award Form and include payment.

AWARDS TO RECOGNIZE ACCOMPLISHMENT: The accomplishment of high school music students can be recognized via an awards program available through the Iowa High School Music Association. Pins and medals are available for individuals and plaques recognize the accomplishment of larger ensembles.

- Division I pins/medals feature a blue ribbon and insert on a gold background;
- Division II pins/medals feature a red ribbon and insert on a silver background;
- Division III pins/medals feature a white ribbon and insert on a bronze background.

All-State: The Iowa High School Music Association offers plaques for schools to honor students accepted for participation in the All-State Music Festival.

The awards program is pictured below. Order forms are provided at each festival sponsored by the Iowa High School Music Association. Order forms are also available on our website at www.ihsma.org. Please make certain you download the most recent order form that contains current pricing.

TEACHER TENURE AWARD

The Iowa High School Music Association has developed a Teacher Tenure Award to recognize persons who have spent a significant number of years instructing Iowa high school musicians. To be eligible for this award, teachers must have completed 30, 35, or 40 years of contracted high school music instruction in the state of Iowa or any year in excess of 30 upon notification of intentions to retire. This Tenure Award certificate will also be awarded for individual year increments in excess of 40 years. Upon submission of a letter of verification attesting to the years of experience signed by both a high school administrator and the director, an appropriate certificate will be presented at the All-State Festival Concert. The letters of verification must be received in the IHSMA office by October 1 in order to receive the award at the coming festival.

NFHS MUSIC ASSOCIATION - FOR ALL MUSIC TEACHERS AND/OR ADJUDICATORS
The NFHS Music Association presents an attractive package of benefits to persons involved with either the direction or adjudication of high school musicians.

The $20 annual fee will provide members with a copy of the National Federation Music Association Journal containing many of the best music education articles compiled from journals throughout the United States, and an outstanding insurance package currently featuring $1 million general liability insurance while acting as a judge or director. Benefits also include reduced rates at identified hotels and rental car agencies. Membership applications can be obtained by calling the IHSMA office.
U.S. COPYRIGHT LAW AND IHSMA FESTIVALS

For a consistent interpretation of the law, this document serves as a guideline as schools/directors/students approach state festival performances. ANY PERFORMANCE OBSERVED IN VIOLATION OF U.S. COPYRIGHT LAW WILL BE DISQUALIFIED!

IF AT ALL POSSIBLE, the student/accompanist/adjudicator should be provided with a legally printed, copyrighted, published edition. There is no possible violation if this is done. This can be borrowed from a neighboring district.

HOWEVER

When this cannot be done, several options lie open to the director. Judges are instructed to accept, as a legitimate score, any of the following:

1. A copied score with an attached, signed statement from a music supply house stating that the music is on order and will be delivered and paid for upon its arrival. This order SHOULD BE initiated at least 30 days prior to the festival date.

2. A copied score with an attached, signed statement from either the publishing company or composer, verifying the duplication/arrangement that is present. (The IHSMA website has Permission to Arrange and Permission to Perform Out-of-Print Music application forms available online.)

3. A copied score containing the application for either Permission to Arrange or Permission to Perform Out-of-Print music that has been originated at least 30 days prior to the festival for which no response has been received. (This would demand the originator of the forms duplicate and keep a copy at the time of the original request.)

4. Original Composition. This must contain a statement from the composer granting permission to perform and/or duplicate.

5. Transposition. Transposition of vocal solo or ensemble literature not available in the needed key is permissible provided the student/director supply a copy of the original arrangement from which the transposition was made.

6. Reductions for instrumental ensembles: A director must construct a reduced score for instrumental ensembles for which no conductor's score is available.

7. Accompanists may play from duplicated music in a binder provided they give the adjudicator TWO legitimate copies of the score.

Keep in mind that ANY AND ALL arrangements, other than legitimate scores, must have a Permission to Arrange form attached granting approval. Directors cannot rewrite parts to accommodate a specific solo or ensemble without granted permission. “Cuts” made in any selection, in order to meet maximum performance time specifications, should be made only to avoid unneeded repetition and not to avoid overly difficult passages. “Emergency provisions” of the law allow for duplication of music that has been lost/destroyed without sufficient time to secure replacement. It does assume a legal copy will be obtained to replace lost item(s). Iowa music stores with the capacity to generate music in the desired key via Notestation equipment should stamp each selection with an embossing stamp assuring adjudicators copyright fees have been paid in the purchase of this service.

Did you know…

That it is IMPORTANT to mail in those “Intent to Register” cards in order for the IHSMA office to help you avoid additional registration penalties when you miss a registration deadline. The IHSMA office also uses these cards to update our database of director contact information.
CONDUCT OF PARTICIPANTS/DIRECTORS

It is the clear responsibility of participating students, directors, and administrators to practice the highest ideals of cooperation and the ethics of competition. The audition host or festival manager has the authority to take whatever immediate steps might be necessary in instances of questionable conduct. The Executive Committee shall have full authority to penalize any member school whose representatives may be, in the opinion of the Committee, guilty of neglecting this responsibility.

ALL-STATE MUSIC CAMP GUIDELINES

Any person/agency/institution hosting an All-State Music Camp within the State of Iowa must comply with the following criteria, which have been developed to insure a consistent, equal opportunity for camp operators/sponsors and participating students:

1) Any All-State Music Camp desiring to function within the state of Iowa must obtain the annual written approval of the IHSMA office prior to sending out any notification to schools.

2) Copies of any promotional material related to the camp (fliers, brochures, letters, etc.) must accompany the camps written request for approval.

3) No All-State Music camp may begin operations prior to August 1.

4) Camps are encouraged to rehearse only with the supplied materials; i.e., pronunciations, rehearsal directions, etc., provided with the music/Association bulletin. Telephone calls should not be directed to the All-State Chair, All-State Conductor or the Executive Director of the IHSMA.

5) Camp fees cannot include the purchase of the employed music. Obtaining the All-State music remains the responsibility of the member school.

**RULES AND REGULATIONS**

1. **Eligibility:** In addition to the Iowa High School Music Association Constitution, Article VI, Section 1, participation is restricted to ensembles from member schools of the Iowa High School Music Association and containing students enrolled in grades 7-12 only. Participating students must be in good standing in their school and currently enrolled and eligible in the instrumental music program. They must be in attendance at a minimum of 50% of the scheduled rehearsal sessions to be considered eligible for participation in this event. Students enrolled in 7-8 grade band and in attendance at 50% or more of the rehearsals meet the enrollment requirement for participation in Marching Band.

2. **Registration:** Fee - $90. Registration for this festival will be online. Instructions for doing so can be found online. A valid check number or purchase order number must be submitted online on or before September 10, 2008 for your registration process to be complete without penalty.

3. Each participating band will be provided an archival copy of their performance. Each host site has the responsibility to provide the equipment and personnel to do so. IHSMA will reimburse each host site $5 per band for this expense. Video footage of this festival will not be marketed for sale.

4. The announcers’ form must be completed in every detail, and be postmarked first-class to your festival manager by October 1, 2008. **Do not send announcer forms to the IHSMA.** Schools failing to comply with this regulation will incur a $25 penalty.

5. **Field:** The performance area will be defined as that area within the boundaries of a regulation-size football field plus an area 5 yards wide in front of the field from goal line to goal line (new). The end zones are not a part of the performance area; however, an ensemble may elect to start their show from the end zone or beyond the sidelines. The entire unit must enter the competition field within 60 seconds of the start of the actual performance. A .5-point penalty will be deducted for each 15-second (or fraction thereof) segment of violation of the 60-second entry rule. Managers shall notify participating schools in advance concerning (a) direction of the field, (b) location of judges, (c) peculiarities of the area that would restrict entrance or exit.

6. Each band will be allowed a total of 15 minutes for field entrance, warm-up, performance and field exit. Time will begin when the clock is re-set to 15 minutes following the previous band’s time slot. The judges will begin
judging after the drum major/majorette’s salute and the announcer states, “Band, take the field.” The first movement of the band or sound from the band after this command will begin the timing for the performance. Judging will cease with the salute of the drum major/majorette at the conclusion of the performance. The performance must last at least 7 minutes. A .5-point penalty will be deducted for each 15-second segment (or fraction thereof) of violation short of the 7 minutes. All personnel and all equipment must have passed the designated “clearance line” and cease all sound within the 15-minutes time limit. The “clearance line” will be designated by the festival host and will be shown to each director prior to the performance. A .5-point penalty will be deducted for each 15-second segment (or fraction thereof) of violation of the exit rule. The timekeeper will record all violations on the provided form and submit it along with the adjudication forms for tabulation.

7. A salute signaling the beginning and end of the performance is mandatory. A 1-point penalty shall be assessed to any performance not complying with this regulation. **Directors:** If your show has an unusual feature that might be confusing to either the management or adjudicators, take a short amount of time to explain that feature to the timer so each performing ensemble has the same opportunity.

8. With the exception of command personnel who may cross and re-enter the boundaries at will, no performer may leave the performance area until the show is concluded (this assumes that if a corner, sideline or end zone entrance is employed, once the student officially enters the field, they cannot leave until conclusion). Stepping on a boundary will be considered crossing it. **Penalty:** A .5-point deduction for every observed violation of boundary regulations.

9. Marching units that employ extraneous equipment as a portion of their performance may have such equipment brought on and/or removed from the field by non-uniformed personnel. The employment of uniformed personnel for this purpose will result in the .5 deduction for every observed entrance/departure.

10. Amplified instruments will be allowed on the field; however, the site is not required to furnish the power or hookups for such equipment.

11. Students may retrieve dropped equipment. It will, however, be a consideration of the M&M GE and M&M Execution judges.

12. Marking time and/or excessive stopped time will be a consideration in all captions of the Marching and Maneuvering Judges.

13. Fire WILL NOT be permitted as a portion of any performance.

14. Judging for this festival will be on a point basis employing four different judges. The four areas of judging criteria are: Music-General Effect; Music Execution; Marching and Maneuvering-General Effect; and Marching and Maneuvering - Execution. **Judging Criteria:** The criteria for each judging assignment is spelled out in detail on the adjudication forms. The point breakdown for divisional ratings is as follows:

- 68-100 = I
- 55-67.99 = II
- 42-54.99 = III
- 29-41.99 = IV
- 0-28.99 = V

15. Entry “for comments only” is permissible for this festival. Such information must be made known to the festival manager by one week prior to the festival.

16. Divisional ratings only will be announced and posted.

17. **Any band using the flag of the United States of America in performance should consult the latest edition of the American Legion Flag Code for proper flag etiquette.**

18. **Irregularities and Protests:** Protests must be submitted to the Executive Committee for ruling. Each protest must be in writing and accompanied by the judges' ballots, the timekeeper’s report and at least one of the judges’ taped comments.

19. A PA system and microphone will be available.

20. Admission will be charged for this festival for all non-participants. Adults - $5, K-12 students - $1.

21. Free admission for chaperones (3 per bus) will be granted by the festival management.

22. Directors may provide a “confidential statement to the adjudicators” identifying students who might be prevented from marching at an expected level of dignity and grace as a result of injury, defect or physical inability. There is no need to identify the obvious, i.e., leg in a cast, etc.

23. Each site will schedule bands for the IHSMA State Marching Band Festival according to classification 1A through 4A. Bands wishing to perform “out of classification” due to a conflict may do so but for comments only.

24. Disregarding a directive from the festival manager may be cause for withholding of a rating.

**NOTICE!!! MARSHING BANDS NOTICE!!!**

Marching Band Adjudication Forms have entire sections devoted to the evaluation of auxiliary personnel as they perform with the Marching Band. For bands appearing with no auxiliary personnel, this excludes command personnel, the IHSMA has devised a separate set of yellow adjudication forms eliminating those categories. Check the appropriate blank on the Marching Band Online Registration Form if your group meets this criteria and you wish to be evaluated on these yellow adjudication forms.

In addition to the Iowa High School Music Association Constitution, Article VI, Section 1, participation is restricted to students from schools that are members of the Iowa High School Music Association and enrolled in grades 9-12 only. Auditioning students must be in good standing and currently enrolled and eligible in the respective ensemble eligible for participation in the Large Group Music Festival (i.e., wind/percussion - concert band or orchestra providing they are playing a wind/percussion instrument in that ensemble a majority of the time; vocal - chorus; strings - orchestra). To be considered a member of the respective ensemble, a student must be enrolled and in attendance at a minimum of 50% of the scheduled rehearsal sessions. 9th graders not eligible for Large Group participation as a result of district grade combinations, i.e., 7-8-9 or 8-9, will be determined to be eligible provided they meet the attendance requirements for their ensemble as specified in the previous sentence. Membership in large ensembles is required for all school districts where such ensembles exist.

Note: Students must make a choice in the area they will audition. Students may NOT try out for both vocal and instrumental or on more than one instrument. Penalty for Violation: Removal from All-State for students involved. Do not enter students who have a conflict with any activity. Each student must attend all rehearsals in Ames.

REGISTRATION
Registration for this festival will be online. Instructions for doing so can be found online. The Registration Submission Deadline for All-State is September 11, 2008. The Penalty Submission Deadline is September 17, 2008. A valid check or purchase order number must be submitted online on or before September 11, 2008 for your registration process to be complete without penalty. You know that your registration is complete when the check number or purchase order number you input appears in the bottom left hand corner of your online invoice. To check this you will need to view the invoice after submitting your check or purchase order number. At this point also review your invoice for accuracy, then print it off and take it to your office for payment! If you have a problem contact the IHSMA office immediately. Final payment should be mailed to: Iowa High School Music Association, PO Box 10, Boone, IA 50036-0010. This payment is due 30 days from your registration date.

“Trades” in registration, one instrument for another, or one voice part for another, will be accepted until 5:00 p.m. of the Penalty Postmark Deadline (Sept 17). Trades will only be accepted with written verification (letter, e-mail or fax) - no phone calls. These trades carry no penalty and cannot be done online.

ERRORS IN REGISTRATION
Clerical errors in registration (wrong instrument or wrong voice part indicated on the Registration Form) can be corrected after the Penalty Postmark Deadline (Sept. 18 or later) by paying a $100.00 per student penalty. Omissions can be corrected after the Penalty Postmark Deadline by paying the registration fee, penalty (50% of registration fee up to $25), and an additional penalty of $100 per student. This penalty MUST be received in the IHSMA office by Friday, Oct. 17. If the penalty is not received by this date, an audition will not be permitted. The school must pay this penalty. Audition times for these students will be existing “scratch” slots or they will be auditioned at the end of the instrument classification for that particular instrument.

2. Schools must appear at their assigned time or, when possible, earlier due to scratches unless affected by emergency situations. Penalty: Forfeiture of right to appear.
3. It is recommended, whenever possible, that directors “scratch” their last entry as opposed to their first. This will shorten the day for everyone.
4. Directors may **not** enter the audition room, nor attempt to communicate with the auditor in **any way**. If communication with an auditor must take place, it may only occur through the room monitor or center manager.

5. Band and orchestra members will be excused only after results have been posted and music assigned. A recall hearing may be scheduled before final selection is made. A recall list will be posted at noon for clarinets, flutes and trumpets to prevent excessively long waits for students not still under consideration. Students failing to appear for recalls will be eliminated from consideration for participation. Brass, woodwind, percussion, and string bass students may be assigned to band or orchestra. Do not enter students who are unwilling to accept an assignment to either group.

6. It is **mandatory** the posted names, instruments, parts, etc., be left intact and posted until the conclusion of the audition day.

7. Names of alternates selected will be posted; however, there will be **no** music issued to these students. **No alternates will be selected for participation after Tuesday, November 11.**

8. Accepted students’ names will be printed in the All-State program. Be certain they are **printed legibly** on the audition cards.

9. All students accepted into the Chorus, Band, or Orchestra should report to the audition site office immediately following notification of their acceptance. Band and Orchestra students should pick up their assigned folder. Chorus students should pick up their information packet.

10. Selection of band, orchestra and chorus is based on the assumption competent players and singers are available. Auditors will be instructed to fill the quota for each center only with students who meet or exceed the required standards for acceptance.

11. **Directors Note:** Housing Blanks will be mailed to registered schools in advance of auditions. Fax both sides of the form to 515-433-4402, immediately following auditions. Housing forms will not be accepted until October 25.

12. Students are expected to audition using music that is in compliance with U.S. Copyright Law. **See the preceding U.S. Copyright Law and IHSMA Festivals section.**

SELECTION OF THE CHORUS

1. Each entry must consist of 2, 3, or 4 singers auditioning on one of the following parts: Soprano, Alto, Tenor, or Bass. No duplication of voice part within an entry is allowed.

2. The maximum number of entries for one school is 28 students - 7 singers per voice part. A student may appear in one entry only. Music need not be memorized for auditions.

3. The number to be selected on each part at each audition center will be based on a percent of the total number entered from the entire state. A total of 600 voices will be selected - 300 females and 300 males. Female students will not be accepted on T/B parts; male students will not be accepted on S/A parts. Auditors will be instructed to select only qualified singers regardless of quotas.

4. Auditioning ensembles will be identified to the auditor by ONLY: school code number, performance time, names of singers and voice parts. Be certain your students know their performance time! The school name may not appear on the audition card, music folder, or any article of clothing. Ensembles may not display the school name in any manner.

5. Choral groups or individuals auditioning may NOT wear school concert attire for auditions (this includes robes, tuxedos, and formal gowns).

6. Audition sites will post a list of accepted students and a list of singers to be recalled at the conclusion of the initial auditions.

7. Materials to be used for auditions will be posted at each audition site at 7:15 A.M. on October 25, 2008.

8. All vocal auditions are a cappella.

9. For first round auditions, singers may get their starting pitches from:
   a.) a singer in the ensemble using a pitch-pipe to play pitches;
   b.) a singer in the ensemble playing pitches on a keyboard;
   c.) a high school student, who is not a member of the auditioning ensemble, playing the pitches on a keyboard.

10. Each entry will be instructed to sing portions of the chosen All-State selections. A maximum of 7 minutes will be allotted for each audition. Students will be judged on the following factors: Intonation, Rhythm, Tone Quality, and Musicianship. 10 points will be awarded in each of the four categories, with the total score used to determine accepted and recalled students.

11. All selections must be performed in the designated key.

12. For recalls, singers will appear alone and sing their voice part unaccompanied. A qualified person designated by the audition manager will play pitches for recall. Pitch giving instructions will be provided with the recall excerpts.

13. Singers will not be allowed to restart a selection once they have made it through a significant portion of a work. They may stop, get pitches, and then continue on if the performance has broken down to the point of warranting this action.

14. In the interest of balancing sections, accepted vocalists will be posted as either I or II. Should this be a change from how the student was registered on the audition card (blue card), the accepted vocalist is expected to learn the new part by the dates of the festival.

15. Vocal entries must appear on the correct voice part as indicated on the registration. Illness or emergency circumstances may reduce an entry below the original registration, however a school may increase the number of participants only by following the provisions specified in Errors In Registration (p.11)

16. Director’s sets/Accompanists sets of the All-State music are the responsibility of the participating school and must be paid for by the director/district apart from their All-State registration.

17. Auditioning groups may be asked to audition on the Ward/Dragon arrangement of “America the Beautiful” and the Wilhousky arrangement of “The Battle Hymn of the Republic”. Copies of these selections may be purchased by contacting Kephart’s Music (800-369-9633).

ALL-STATE FESTIVAL/FOOTBALL PLAY-OFF CONFLICTS
Conflicts between the All-State Music Festival and the state Football Play-Offs are unavoidable. Policies have been developed to resolve those conflicts within reasonable parameters. “Alternates” may be selected to fill positions in any All-State organization as late as November 11. If your district has a potential problem with such a situation, contact the IHSMA office at your earliest opportunity.

REGISTRATION OF STUDENTS IN AMES
All directors or chaperones must register participating students and pay the correct fees, if not prepaid, at the IHSMA Registration desk (middle floor lobby of Scheman Building) either Thursday afternoon or Friday morning. Student registration forms will be sent prior to auditions. At this time ONE director will receive the registration packet, which includes identification buttons for all participants from that school. No student will be admitted to afternoon rehearsals without these buttons. Schools commuting must be registered in the same manner; names listed on the registration form and fee paid, with a notation that they will be commuting and not using the housing that has been arranged.

HOUSING RULES AND REGULATIONS
The rules and regulations have been established by the Iowa High School Music Association and will be strictly enforced. Directors and chaperones have no authority to grant exceptions.

Alan Greiner, Executive Director, IHSMA, is in charge of hotel arrangements. Housing for the All-State Festival will be in the Ames area. Housing blanks are to be faxed to the Iowa High School Music Association immediately following auditions to 515-433-4402. Chaperones must be housed in the same hotel as their students.
1. There shall be no playing of instruments or singing from 11 p.m. to 8:30 a.m.
2. Participants may meet only in rooms assigned to their sex unless a director is present. All parties involved will be dismissed from the All-State Festival if this rule is violated.
3. Students are not to congregate in rooms other than those billed to their own school.
4. Students must be in their rooms no later than 11:30 P.M. each night. Lights out and no noise after 12 midnight. All students must remain in their room until 6:30 A.M.
5. Inadequate preparation, poor rehearsal attitudes and conduct not up to the highest standards of our best high school students will be considered sufficient reason for dismissal from the festival.
6. Consider prepayment of festival fees. This will shorten the registration process at Ames. Fees and registration form should be received in the IHSMA office by November 14.

GENERAL RULES AND REGULATIONS

1. Each performing ensemble will be judged by a panel of three judges, one of which must provide taped remarks, and the other two have the option of commenting in the medium in which they feel the most comfortable (written or taped). Sites that can accommodate such will provide an audio feed from one judge into the performance videotape for each school. A fourth judge providing written comments and verbal critique will judge sight-reading for Jazz Bands.

2. “Comments Only” performances are permitted for any ensemble. This must be indicated on adjudication forms when returned to the festival site manager.

3. Show Choirs and Jazz Bands shall use the P.A. equipment provided which will consist of five microphones to be used at the discretion of the director. Jazz Choirs are permitted to bring their own sound equipment and technician (an eligible student).

4. A tuned acoustical piano will be the only provided instrument in either the warm-up facility or festival center.

5. Participants must stop as soon as the official timekeeper gives the signal indicating the end of the performance time. The rating of those ensembles that do not stop when the signal is given shall be withheld until the matter has been referred to the Executive Director.

6. Participants may provide scores for the judges’ usage, but must supply three sets of scores, if any. Individual schools will accept the responsibility for the legality of their chosen program arrangements.

7. Adjudication forms are available on the IHSMA website: www.ihsma.org. Directors are to complete the upper portion of these forms and forward them directly to your FESTIVAL SITE MANAGER by the date indicated below. Do not send adjudication forms to the Iowa High School Music Association. January 7, 2009, will serve as the return date for the January 17 festival; January 21, 2009, will serve as the return date for the January 31 festival and January 23, 2009 for the February 2 festival. Schools not meeting this deadline will be assessed a $25 penalty.

8. Minimum and maximum performer numbers are interpreted to mean “at any one time.” Students can be alternated between numbers; however, non-participants must remain an appropriate distance from the performing ensemble.

7. Warm-up areas will be provided and supplied with an acoustical piano.
8. Jazz Bands must perform copyrighted arrangements or provide written proof for the exceptions employed. This does not pertain to ad-lib solo sections.

2. On direction from the adjudicator, the music may be removed from the envelope. The director will have 5 minutes to study and explain the selection to the ensemble.
3. During this 5-minute period, no one may clap, sing, count or demonstrate specific pitches, rhythms and/or intervals.
4. The director can verbalize rehearsal markings to the band if the ensemble is having difficulty during the performance.
5. The director may select ANY instrumentalist as the soloist(s) for the improvisation section of the arrangement.
6. At the conclusion of the performance, the adjudicator will comment verbally to the ensemble regarding strengths and areas of weakness.
7. All music will be returned to the envelopes before departing the sight-reading area.
DETERMINATION OF JAZZ BAND RATINGS

The final rating for Jazz Band performances will be determined by totaling all of the assigned ratings - three performance ratings and one sight-reading rating. That numerical total will then be compared to the following scale to determine the final rating:

- 4 - 6 points = Division I
- 7-10 points = Division II
- 11-14 points = Division III
- 15-18 points = Division IV
- 19+ points = Division V

CONDUCT COUNTS

THE PARENT AND COACH/ADVISOR RELATIONSHIP

Parenting and coaching, or directing, young adults are both rewarding and challenging. Parent and coach/advisor expectations each have a significant impact on the experience students will have as they participate in co-curricular activities. Participation in co-curricular activities may be different from other experiences parents and their children have had because co-curricular activities take place in an educational setting and are part of the child’s total educational experience. The purpose of co-curricular activities is the education of young people to help make them more productive citizens to society as adults. To be part of the educational program, co-curricular activities must teach students more than just the skills of the activity. They must teach life lessons that will help make students better people because they participated. When parents and coaches/advisor work together to teach these life lessons all students benefit and have a more positive experience.

I. Parents have the right to know and understand the expectations placed on them and their children. Coaches and advisors have the right to know that if parents have a concern, they will discuss it with the advisor/coach first and at the appropriate time and place.

Communication parents should expect from their child's coach/advisor:

- Advisor’s/coach’s philosophy.
- Expectations the coach/advisor has for the parent’s son or daughter, as well as other players on the team.
- Locations and times of practices and contests/performances.
- Team/activity group requirements, i.e., fees, special equipment needed, school & team/activity group rules, off-season expectations.
- Procedures that will be followed if your child becomes injured or ill during participation.

Communication advisors/coaches should expect from parents:

- That concerns regarding the parent’s son or daughter will be expressed directly to the coach/advisor at the appropriate time and place.
- Specific concerns in regard to the advisor’s/coach’s philosophy and/or expectations.
- Notification of any schedule conflicts well in advance.
II. As children become involved interscholastic activities, they, and their parents, will experience some of the most rewarding moments of their lives. It’s important to understand there may be times when things do not go the way the child and parent wish. These are the times discussion with the coach/advisor are encouraged.

**Appropriate concerns for a parent to discuss with a advisor/coach:**

- The mental and physical treatment of your child.
- What your child needs to do to improve.
- Concerns about your child’s behavior.

III. It is very difficult for parents to accept that their child may not be participating as much, or in the role, the parent had hoped they would. Coaches/advisors make decisions based on what they believe is in the best interests of all students participating. As one can see from the list above, certain things can and should be discussed with your child’s advisor/coach. Other things, such as those listed next, must be left to the discretion of the coach/advisor.

**Issues NOT appropriate for discussion with your child’s advisor/coach:**

- How much each student is participating and the role they have.
- Team strategy.
- Play calling.
- Any situation that deals with other students.

IV. There are situations that may require communication between the coach/advisor and parent. This communication is not discouraged, as it is important for each party to have a clear understanding of the others’ position. When such communication is necessary, the following procedure is suggested to help promote resolution to the issue.

**If a parent has a concern to discuss with the advisor/coach, the following procedure should be followed:**

- Think about the expected outcome as a result of the meeting.
- Schedule a time to visit with the coach/advisor face-to-face, in private. These conversations should never take place in public, at practice, at a contest, or performance.
- If the advisor/coach cannot be reached, call the activities director and ask him or her to set up a meeting with the coach/advisor for you.
- Stick to discussing the facts, as you understand them.

**What should a parent do if the meeting with the advisor/coach didn’t provide satisfactory resolution?**

- Call the activities director to set up a meeting with the activities director, coach/advisor, and parent(s) present.
- At this meeting, an appropriate next step can be determined, if necessary.

V. Students’ involvement in co-curricular activities has been proven to increase their chances of success later in life. However, it is important for parents to realize that less than 1% of students participating in co-curricular activities will make a living in that activity. Parents should NOT expect their son or daughter to receive a full ride college scholarship or make a living as a result of their participation in co-curricular activities because, for most, that is not reality. Parents should encourage their children to participate in co-curricular activities because their children will have fun, enjoy being with their friends and because of the lifelong values they learn through participation.

**Did you know…**

A recent research study by Roger Maxwell of the past 23 years Des Moines Registers Academic All-Staters found:

*2 out of 3 of them participated in music!!!*

**Did you know…**

That you can apply for the Academic Achievement Awards any time after the end of the 1st semester. The IHSMA office will mail out the awards after the ensemble has participated in the IHSMA Festival.
IHSMA Needs your HELP!!!!

The Iowa High School Music Association now has the ability to stream audio files online and is interested in providing you recordings of the selections found on the required literature list as a resource for our teachers. To do so we will need your help.

If your chorus/band has made a particularly good recording of one (or more) of the selections found on the required literature list, send it to us (IHSMA, PO Box 10, Boone, IA 50036) on a CD in .mp3 format. We DO NOT want purchased recordings – we want recordings of high school ensembles performing the music.

Along with the recording your ensemble has made you need to include:
- Directors Name:
- Ensemble Name:
- School Name:
- Title:
- Composer/Arranger:
- Publisher:
- IHSMA List Grade Level:

If the recording is selected to be placed on the web, your information will appear with the recording. Recordings will be selected for placement on the web based upon quality and space available.

Junior high schools are not accepted for membership in this Association. Students enrolled in a junior high school may participate under the auspices of the senior high schools of the school district in which it is located. In case the district includes more than one senior high school, the Superintendent of the school shall designate the high school with which the junior high school is to be affiliated for participation in the activities of the Association.

Annual Meeting
Section 4. The Annual Meeting shall be held during the month of July. Special meetings may be called by the Executive Committee.

ARTICLE II
Festivals
Section 1. The Executive Committee shall have authority to arrange such festivals as they may deem necessary.

ARTICLE III
Dues
Section 1. Annual dues of $25 shall be sent to the Executive Director of the Association on or before September 15. Dues shall be $37.50 ($25 dues plus $12.50 penalty) until January 1. After January 1, schools will not be admitted for membership. The postmark on the envelope containing the letter shall determine the date the fee is received.

ARTICLE IV
Administration
A. Executive Committee: Nomination and election, powers and duties.
Section 1. The Executive Committee composed of 5 members shall be elected at-large for a 5-year term: Three members of the committee shall be Superintendents or Principals of senior high member schools; one member shall represent the instrumental field and one member shall represent the vocal field of senior high member schools. Note: The Executive Committee has an additional member appointed by the State School Board Association. This is to meet the new statute 257.25, Chapter 9.4, Code 1966. The total membership of the committee is 6.
Section 2. A member of the Executive Committee shall be eligible to succeed him(her)-self but once and serve a total of two(2) terms (either partial or full).
Section 3. Only the Superintendent or his/her designated senior high school Principal shall have the right to vote in the nomination and election of Executive Committee members.
Section 4. Nomination and Election - When an election is to take place, the Executive Director of the Iowa High School Music Association shall mail an official nomination ballot to each member school by September 10th. This ballot shall be a secret ballot enclosed in a blank envelope, sealed and mailed in an official mailing envelope provided for that purpose. These sealed ballots, when voted, shall be mailed to the member of the District Advisory Group from the North Central District, who shall serve as the chair of the Election Board. The election chair and the Executive Director shall select a music teacher or administrator from the chair’s school to complete the Election Committee.
On or before September 15, the Election Board shall meet for the official canvass of the ballots. The official mailing envelopes shall be opened in the presence of the Election Board and the sealed ballots removed and placed in a ballot box. After having been thoroughly mixed, the sealed ballots shall be opened, counted and the results announced. The two receiving the highest number of votes shall be considered the nominees. In case of a tie of more than two, all those in the tie shall be considered nominees. In case the number of nomination ballots for any one of the nominees is a majority of the number of member schools, that candidate shall be declared elected.
A list of schools voting shall be made from the return on the official mailing envelopes, and together with the results of the election, be certified by the Election Board conducting the election and forwarded.
to the Executive Committee for publication in the next regular bulletin. A place shall be provided on the official mailing envelope for the signature of the school official casting the vote. The signature must be on the official mailing envelope in longhand.

The Executive Director shall then prepare official election ballots and mail immediately to the member schools. These ballots shall be the same kind as those used for nominations and, when voted, shall be mailed to the same Election Board Chair who received the nomination ballots. This ballot shall only contain the names of those individuals declared nominees through the process described above. On or before October 10, the Election Board shall meet to canvass the election ballots. The procedure in canvassing shall be the same as in canvassing nomination ballots. The candidate receiving the highest number of votes shall be declared elected. A list of schools voting shall be made from the return of the official mailing envelopes, and together with the results of the election, certified by the Election Board conducting the election and forwarded to the Executive Committee for publication in the next regular bulletin of the Music Association. In case of a tie, election shall be decided by lot by the candidates in the presence of the Executive Committee.

Section 5. Each newly-elected officer becomes a member of the Executive Committee upon notification from the Executive Director of his/her election.

Section 6. A vacancy will occur whenever a member of the Executive Committee ceases to be an executive officer or a teacher of music, as earlier defined, of a member senior high school. In case of a vacancy, the Executive Committee shall conduct an election in the prescribed manner within two weeks (except during the summer) after the vacancy has occurred to fill and complete the unexpired term. When a vacancy occurs during the summer vacation, the Executive Committee may, at its discretion, delay an election to fill the vacancy until the regular time in the fall.

Section 7. At their October meeting, the Executive Committee shall elect a President, Vice-President and Treasurer from its membership for a term of office for one year. Other officers may be elected by the Executive Committee from within its own group to carry on the business of the Association.

Item 1. The President of the Executive Committee shall, in addition to his regular duties, preside at all meetings of the District Advisory Group.

Modifications from the original resolution may be made from time to time by mutual agreement of both Executive Boards or the Executive Committee may, at its discretion, determine other conditions under which its Executive Director may serve.

b. The Executive Committee shall have general supervision over all music festivals and related music activities of member schools.

Section 10. In matters not herein determined, the Executive Committee shall have absolute authority.

Section 11. The Executive Committee may create and place on interest a sinking fund, which shall be used only to pay a deficit in the finances of the Association, unless otherwise specifically designated for other use by the electorate.

Section 12. enrolled in at least four full-credit subjects, each of one period or “hour” or the equivalent thereof, at all times. Coursework taken under the provisions of Iowa Code chapter 261C, postsecondary enrollment options, for which a school district or accredited nonpublic school grants academic credit toward high school graduation shall be used in determining eligibility.

Each contestant shall be passing all coursework for which credit is given and shall be making adequate progress toward graduation requirements at the end of each grading period. “Grading period,” graduation requirements, and any interim periods of ineligibility are determined by local policy. For the purposes of this rule, “grading period” shall mean the period of time at which the student in grades 9 through 12 receives a final passing grade and course credit is awarded.

If at the end of any grading period a participant receives a failing grade in any course for which credit is awarded, the participant is ineligible to participate in any competitive event sanctioned by the IHSMA or any IHSMA sponsored event that is non-graded (event doesn’t effect course GPA) within a period of 30 consecutive calendar days. The period of ineligibility will begin with the first school day following the day grades are issued by the school district.

A student with a disability who has an individualized education program (IEP) shall not be denied eligibility on the basis of scholarship if the student is making adequate progress, as determined by school officials, towards the goals and objectives on the student’s individualized education program.

The maximum period of eligibility while in grades 7 and 8 shall be 4 semesters. The maximum period of eligibility while in grades 9 through 12 shall be 8 semesters. Pupils below the 9th grade may not participate in solo events.

A soloist, except piano, must be a member of the appropriate high school musical organization, if such exists, and must appear with that organization if it participates in any of the programs of the Association.

### Classification

**Section 2.** The classification of member schools shall be determined by the Executive Committee and reviewed on an annual basis. The Association shall use the current year’s official 9-11 enrollment as reported on the BEDS document to the IHSAA to determine classifications for the ensuing year. There will be a minimum of four classes that will divide the membership into classes of relative equal opportunity for students. Classifications are as follows:

- **Class 4A:** 9-11 enrollment of 600 or more students
- **Class 3A:** 9-11 enrollment of 275-599 students
- **Class 2A:** 9-11 enrollment of 150-274 students
- **Class 1A:** 9-11 enrollment of 149 or less students

Each school shall enter the class where it belongs as shown by the above classification except as hereinafter provided. A school may elect to participate in the class next highest in enrollment, in which case it shall participate in that class in each event it enters. The choice to enter a next higher classification shall not be made later than May 1st of the preceding school year.

### Number of Entries

**Section 3.** There is an unlimited entry for member schools into the large group festival provided there is no duplication of personnel.

The number of participants or entries into the various programs of the Association will be set by the Executive Committee and may vary from program to program.

**Time Limit**

The time limit of each event shall be as prescribed by the Executive Committee. The time will be computed from the beginning of the first selection. An official timekeeper shall signal when the time limit has been reached. Entrants who do not stop as the signal is given shall be reported to the Executive Committee by the festival manager.

If directors do not comply with this direction, they shall be reported to the Executive Committee and announcements of rating withheld.

### Conductors and Accompanists

**Section 4.** Only a school approved sponsor, or an eligible student, shall be permitted to direct any participating organization. Directors of vocal groups may not sing with their organizations or may directors of instrumental groups play with participating instrumental organizations.

This shall not be interpreted to prevent a vocal director playing a piano accompaniment for a participating group.

Small groups, both vocal and instrumental, must participate without direction unless exception is provided by the Executive Committee.

The accompanist may be any person approved by the Superintendent of the member school.
ARTICLE VII
Violations

Section 1. Schools violating this constitution or adopted rules, policies and regulations of the Iowa High School Music Association may be penalized, up to and including suspension from membership for one year, by action of the Executive Committee. Any suspended school will forfeit all ratings and awards received in the alleged occurrence.

Section 2. If charges are brought against any member school for violations, as generally described in Article 7, Section 1, the Executive Committee shall consider such charges and determine and assess penalties in case of conviction. Any school which is charged with such violations shall be given the opportunity to be represented at the hearing of its case before the Executive Committee. Any investigation or hearing which involves the school with which any member of the Executive Committee is connected shall not be heard in his/her presence, nor shall he/she vote on the final consideration. The decision of the Executive Committee in said matters is final.

ARTICLE VIII
Disposition of Assets on Dissolution

Section 1. In the event of the termination or dissolution of this Association, then and in that event, the assets remaining after payment of the costs of termination or dissolution, shall be paid out in equal amounts to all schools which were members of the Association on the date of the commencement of such action to terminate or dissolve.

ARTICLE IX
Amendments

Section 1. Amendments to this constitution may be initiated in either of the methods enumerated in this section.

1. By petition signed by the administrators of not less than 20% of the member schools.

2. By Executive Committee action.

Section 2. The Executive Committee shall submit within reasonable time all properly proposed amendments to the administrators of the member schools. The ballot shall be cast by the member school over the signature of the superintendent or principal within the time limit stated on the ballot. The proposed change shall become part of the constitution immediately if approved by a majority of the member schools voting on the proposal.

Section 3. Regulations made by the Executive Committee not contrary to this constitution shall apply to all festivals in this Association, unless rejected by the Association in the manner prescribed for voting in Article IX, Section 1 and 2 of this constitution.

Class 1A
Judge Information

JUDGING REQUIREMENTS

Persons interested in serving the Iowa High School Music Association as an adjudicator are directed to meet three criteria established by the Executive Committee:

1. You must have taught successfully in the area of adjudication for five years.
2. You must attend an adjudicator’s certification clinic session.
3. You must be recommended, in writing, to the IHSMA office by two people currently on the “Approved” adjudicator listing.

IHSMA SPECIALIST CERTIFICATION CLINICS

IHSMA will again be offering specialist certification sessions for adjudicators. Specialist Certification Sessions will be offered in the following areas: Large Group, Show Choir, Jazz Choir, Jazz Band, and Marching Band. These sessions will last 1 hour and will be offered at the ICDA, IBA, and ISTA conferences as they are developed. Attendance at one of these sessions will meet the re-certification requirements of IHSMA. Those individuals that have obtained their specialist certification will be first considered when offering judging contracts.

BASIC IHSMA ADJUDICATION CERTIFICATION CLINICS

The Iowa High School Music Association will conduct Adjudicator Certification Clinics in late August for wind, percussion, and string adjudicators; and in late September for vocal adjudicators. These sessions will operate between the hours of 7:00 – 9:00 p.m. You must register for attendance in advance of the clinic. Registration is required for all certification clinics as a means of guaranteeing the correct amount of materials.

Five different sites have been selected geographically for each discipline. A site will not open if less than five (5) people will be in attendance. If a site will not open because of insufficient enrollment, we will attempt to schedule you into a nearby site on a different date.

REGISTRATION FOR ATTENDANCE MUST BE BY TELEPHONE ONLY! Call the Association office (515-432-2013), ask for Donna, to reserve a place at the session you have chosen to attend. This must be done by August 15 for instrumental adjudicators and by September 12 for vocal adjudicators.

Flag Etiquette

When the National Anthem is played …
When the Flag passes on a parade or in review …
When the Flag is hoisted or lowered …
When the Pledge of Allegiance is recited …

- Students, participants and spectators should be reminded that when the National Anthem is played, they should stand at attention, face the flag, and place their right hand over their heart.
- The Flag, if visible, is faced and saluted; if not visible, face music and salute; if music is recorded, face front and salute.
- Salute is rendered at first note of music and held until the last note.

- When in civilian attire:
  - Men should remove their hat and hold it at left shoulder with right hand over heart, if they are without a hat they should place their right hand (palm open) over their heart.
  - Women should place their right hand (palm open) over their heart.
- When in performance attire (and not performing) students should face the flag or music, remove their headdress if any and stand at attention.
- When flag is passing in review, a salute is rendered when the flag is six paces from the viewer and held until it has passed six paces beyond.

Information about our Affiliate Organizations

The Iowa Music Educators Association is a federated state association of the National Association for Music Education (MENC). MENC is a voluntary, nonprofit organization representing all phases of music education in schools, colleges, universities and teacher education institutions.

Each year IMEA holds a conference in conjunction with the Iowa All-State Music Festival. The IMEA conference is organized by Iowa music teachers, for Iowa music teachers. This conference includes:

- Presentations on Mentorship topics
- Clinics specific for band, orchestra, choir, and general music teachers
- Sessions on using technology in the music classroom
- Sessions addressing student assessment
- Sessions on how the Iowa Teaching Standards affect music educators and school music programs

Membership information for the Iowa Music Educators Association can be found online at:

www.iamea.org

---

The Iowa Choral Directors Association is a non-profit organization dedicated to providing education and opportunities in choral music for its members and the singers they serve. ICDA’s 1000+ members are choral conductors at every level of learning from pre-school to adult and they make music with a wide variety of choruses.

ICDA sponsors numerous workshops, festivals, symposiums, and other events at both the district and state levels and is regarded nationally as a leader among state ACDA organizations in providing opportunities for growth and development for all those dedicated to choral music.

ICDA is an affiliate of the American Choral Directors Association one of the largest professional organizations for choral directors in the world with a membership of approximately 17,000 directors representing one million singers.

Membership

Residents of Iowa who join ACDA, also become members of the Iowa chapter, ICDA. If you are interested in membership, simply print and complete the Membership Form as found on ICDA’s own website:

www.iowachoral.org

All members receive copies of Choral Journal (the monthly national magazine), Melisma (the North Central Division newsletter, published three times a year) and Sounding Board (Iowa’s newsletter, published in the months of September, November, February, and May).

Membership is a wonderful opportunity for networking with hundreds of colleagues who are active in the choral art. Our publications and conventions provide members with diverse and practical forums through which we develop and sharpen our professional skills. Why not join today?

OPUS Honor Choir

The Iowa Choral Directors Association annually sponsors the Opus Honor Choir the Thursday prior to the AllState Music Festival. Four choirs of 180 voices are featured at this event: a Fifth/Sixth Grade Select Honor Choir, a Seventh/Eighth Grade select Boys Honor Choir, a Seventh/Eighth Grade Select Girls Honor Choir, and a Ninth Grade Select Mixed Honor Choir.
Eligibility
Any current ICDA member may submit fifth, sixth, seventh, eighth, and ninth grade singers that are active in their public and private school music programs or church choirs in the state of Iowa. The audition is by cassette tape or CD. Each singer's audition must be prepared by a sponsoring director, and this director must be an active or retired member of American Choral Directors Association. (This does not include student teachers.) The director's expiration date of ACDA membership must be included on each audition form.
