IHSMA Festivals Defined

In January of 2006, the Executive Committee of the Iowa High School Music Association adopted a policy stating that, "With the exception of the All-State Music Festival, IHSMA Festivals are assessments of individual or group achievement whereby every participant has the opportunity to achieve the highest rating."

Monday, August 25, 2014	North Fayette Valley High School, West Union
Tuesday, August 26, 2014	Lewis Central High School, Council Bluffs

All 1st, and any 2nd+ year music teachers, or teachers who are new to the state, who may not be familiar with the policies of the Iowa High School Music Association and the programs offered, are encouraged to attend one of these sessions.

Teachers wishing to participate should contact the Iowa High School Music Association either via e-mail: donna@ihsma.org or telephone (515) 432-2013 to ensure that the sessions will be held and that adequate materials are available.

ATTENTION!! ADMINISTRATORS AND MUSIC DIRECTORS!!

The following is the sanctioning policy as amended on October 22, 2009. It is imperative you check closely any music competition sponsored by any agency other than the IHSMA office. **If it has not been approved, your school will be in violation of this policy if you participate.**

SANCTIONING POLICY OF THE IHSMA (Effective October 22, 2009)

Recognizing that school music programs have a community commitment that extends beyond the confines of strictly school events, and, recognizing also that there are events that extend beyond the desire or intent of the Iowa High School Music Association to administer, the Executive Committee of the Iowa High School Music Association, acting under the authority granted in the constitution, sets forth the following regulations and recommendations for governing the participation of its member schools in competitive or evaluative events sponsored by agencies other than this Association during the academic year.

1. Member schools may participate in other competitive/evaluative music events provided they also participate in the IHSMA program in instances of same-day programs. This does not apply to bands wishing to compete in parade competitions on the same date as the IHSMA State Marching Band Festival.
2. Member schools, and students representing member schools, may not compete for cash prizes other than out-of-pocket expenses.
3. Competitions and evaluative festivals, in Iowa, will not be approved if classification guidelines do not comply with those established by the IHSMA. The only exception permitted is an open competition with all schools competing in the same class.
4. The eligibility regulations of the Iowa High School Music Association are in effect for any competitive or evaluative music event that is sponsored-approved by the Iowa High School Music Association. With the exception of the main keyboard player accompanying Show Choirs, Jazz Choirs, Concert Choirs, Solos and Small Ensembles, all participants must be eligible students, in good standing, and enrolled in grades 7-12 in their respective schools. In instances of early graduation, the student loses eligibility at the conclusion of the last scheduled day of attendance.
5. Programs must be open to all students, regardless of race, creed, sex or national origin.
6. Competitive or evaluative music events, originating in Iowa, must have the written approval of the IHSMA office.
7. Multiple-day events must make use of at least one day of the weekend.
8. Participation, by any member school, in out-of-state competitive or evaluative music events shall be the sole responsibility of the involved school district provided Regulation No. 1,2, and 4 of the above are abided.
9. Sanctioned events held on days where there is a conflict with a Unified Activities Federation Calendar event are required to cooperate with schools wanting to participate in both events. If a pattern of non-cooperation is established, sanctioning may be withheld from that event in the future.
10. Any contest or activity under the jurisdiction of the IHSMA sponsored by an outside agency which is on the approved list of the National Association of Secondary School Principals shall be considered automatically approved.

It is further RECOMMENDED that:

1. Whenever possible, competitions or evaluative events should be held on non-school time (weekends, vacation, etc.)
2. Schools should emphasize a 125-mile of half-day limitation for events scheduled on a weekday and a 300-mile limitation for events scheduled on weekends.
3. Events sponsored by the non-educational agencies should be scrutinized with extreme care. Sponsoring agencies should submit, upon request, a financial accounting to demonstrate that they do not profit unreasonably from such sponsorship.
4. Activities scheduled on the Unified Iowa High School Activities Federation calendar should be given priority in relation to programs sponsored by outside agencies.

RECORDING POLICIES OF THE IHSMA

Recording services are provided for the All-State Festival. Cameras and recorders will not be permitted in the performance area for this event.

Personal video cameras will be permitted at the State Marching Band Festival, Show Choir/Jazz Choir/Jazz Band Festival, Solo/Small Ensemble Festival, and Large Group Festival; however, the site management may designate a specific area from which to record. In performance areas where congestion is a concern, only small hand-held video cameras will be allowed (no tripods). US Copyright Law permits each performer the privilege of archiving their performance. US Copyright does not allow the sale of this video footage to anyone, or the distribution of this video footage to any non-performer.

The IHSMA will not utilize personal audio or videotapes in disputes over a judge's ruling.

REGISTRATION INFORMATION

INTENT TO REGISTER: Enclosed with this bulletin is an "INTENT TO REGISTER" card. The IHSMA requests its completion and return. This card will provide information relative to the programs in which each school intends participation. On the day following the final day of any registration period, the IHSMA office will fax or email a reminder to schools who have declared intent to participate, and from whom no entry has been received. This is done so that any additional penalties may be avoided.

Directors should be alerted to the dates of the ACT tests for the upcoming school term. Careful planning will avoid conflicts with IHSMA festival dates. The October 25th date conflicts with All-State Auditions. The April 18th date conflicts with our Class 1A/4A Solo/Small Ensemble Festival.

AWARDS PROGRAM

ACADEMIC ACHIEVEMENT AWARDS: The Iowa High School Music Association will recognize larger ensembles - Marching Band, Show/Jazz Choir, Jazz Band, Orchestra, String Orchestra, Mixed Chorus, Concert Band, Bass Clef Chorus, Treble Clef Chorus -that excel in academic achievement **and also participate in the IHSMA festival designated for that particular ensemble.** This award program features two levels of designation:

Distinguished Academic Achievement: GPA = 3.25-4.00

Excellence in Academic Achievement: GPA = 3.00-3.24

So awards can be distributed expeditiously, the GPA of the first semester will be employed so ensembles performing at the Large Group Festival in May can receive their awards prior to the conclusion of the school year. The IHSMA is now employing a plaque recognition program. This plaque is an appropriate 16" X 20" plaque that contains twelve spaces for ensemble recognition and will be forwarded to the deserving schools upon receipt in the IHSMA office of the application form and verification of participation in the festival can be made. Applications are included with this bulletin mailing. They may also be found on our web site: www.ihsma.org. Schools wishing to replace their certificates from previous years with plaques may purchase plaques from IHSMA using the Academic Achievement Award Plaque Order Form for previous year's awards.

INDIVIDUAL AWARDS FOR ACADEMIC ACHIEVEMENT

The IHSMA has individual 8" x 10" certificates that may be purchased for individual members of any large ensemble qualifying for the Academic Achievement Award. These are available, in quantity, from the IHSMA office at a cost of \$.10 each. Indicate the number desired on the Academic Achievement Award Form and include payment.

AWARDS TO RECOGNIZE ACCOMPLISHMENT

The accomplishment of high school music students can be recognized via an awards program available through the Iowa High School Music Association. Pins and medals are available for individuals and plaques recognize the accomplishment of larger ensembles.

Division I pins/medals feature a blue ribbon and insert on a gold background;

Division II pins/medals feature a red ribbon and insert on a silver background;

Division III pins/medals feature a white ribbon and insert on a bronze background.

All-State: The Iowa High School Music Association offers plaques for schools to honor students accepted for participation in the All-State Music Festival.

The awards program is pictured below. Order forms are provided at each festival sponsored by the Iowa High School Music Association. Order forms are also available on our website at www.ihsma.org. Please make certain you download the most recent order form that contains current pricing.

TEACHER TENURE AWARD

The Iowa High School Music Association has developed a Teacher Tenure Award to recognize persons who have spent a significant number of years instructing Iowa high school musicians. To be eligible for this award, teachers must have completed 30, 35, or 40 years of contracted high school music instruction **in the state of Iowa** or any year in excess of 30 upon notification of intentions to retire. This Tenure Award certificate will also be awarded for individual year increments in excess of 40 years. Upon submission of a letter of verification attesting to the years of experience signed by both a high school administrator and the director, an appropriate certificate will be presented at the All-State Festival Concert. The letters of verification must be received in the IHSMA office by October 1 in order to receive the award at the coming festival.

NFHS MUSIC ASSOCIATION - FOR ALL MUSIC TEACHERS AND/OR ADJUDICATORS

The NFHS Music Association presents an attractive package of benefits to persons involved with either the direction or adjudication of high school musicians.

The \$20 annual fee will provide members with a copy of the **National Federation Music Association Journal** containing many of the best music education articles compiled from journals throughout the United States, and an outstanding insurance package currently featuring **\$1 million general liability insurance** while acting as a judge or director. Benefits also include reduced rates at identified hotels and rental car agencies. Membership applications can be obtained by calling the IHSMA office.

U.S. COPYRIGHT LAW AND IHSMA FESTIVALS

For a consistent interpretation of the law, this document serves as a guideline as schools/directors/students approach state festival performances. **ANY PERFORMANCE OBSERVED IN VIOLATION OF U.S. COPYRIGHT LAW WILL BE DISQUALIFIED!**

IF AT ALL POSSIBLE, the student/accompanist/adjudicator should be provided with a legally printed, copyrighted, published edition. There is no possible violation if this is done. This can be borrowed from a neighboring district.

HOWEVER

When this cannot be done, several options lie open to the director. Judges are instructed to accept, **as a legitimate score**, any of the following:

1. A copied score with an attached, signed statement from a music supply house stating that the music is on order and will be delivered and paid for upon its arrival. This order **SHOULD BE** initiated at least 30 days prior to the festival date.
2. A copied score with an attached, signed statement from either the publishing company or composer, verifying the duplication/arrangement that is present. (The IHSMA website has *Permission to Arrange* and *Permission to Perform Out-of-Print Music* application forms available online.)
3. A copied score containing the application for either Permission to Arrange or Permission to Perform Out-of-Print music that has been originated at least 30 days prior to the festival for which no response has been received. (This would demand the originator of the forms duplicate and keep a copy at the time of the original request.)
4. Original Composition. This must contain a statement from the composer granting permission to perform and/or duplicate.
5. Transposition. Transposition of **vocal solo or ensemble literature** not available in the needed key is permissible provided the student/director supply a copy of the original arrangement from which the transposition was made.
6. Reductions for instrumental ensembles: A director **must** construct a reduced score for instrumental ensembles for which no conductor's score is available.
7. Accompanists may play from duplicated music in a binder provided they give the adjudicator TWO legitimate copies of the score.

Keep in mind that **ANY AND ALL** arrangements, other than legitimate scores, must have a Permission to Arrange form attached granting approval. Directors **cannot** rewrite parts to accommodate a specific solo or ensemble without granted permission. "Cuts" made in any selection, in order to meet maximum performance time specifications, should be made only to avoid unneeded repetition and not to avoid overly difficult passages. "Emergency provisions" of the law allow for duplication of music that has been lost/destroyed without sufficient time to secure replacement. It does assume a legal copy will be obtained to replace lost item(s). Iowa music stores with the capacity to generate music in the desired key via Notestation equipment should stamp each selection with an embossing stamp assuring adjudicators copyright fees have been paid in the purchase of this service.

Did you know...That it is IMPORTANT to mail in those "Intent to Register" cards in order for the IHSMA office to help you avoid additional registration penalties when you miss a registration deadline. The IHSMA office ALSO uses these cards to update our database of director contact information.

CONDUCT OF PARTICIPANTS/DIRECTORS

It is the clear responsibility of participating students, directors, and administrators to practice the highest ideals of cooperation and the ethics of competition. The audition host or festival manager has the authority to take whatever immediate steps might be necessary in instances of questionable conduct. The Executive Committee shall have full authority to penalize any member school whose representatives may be, in the opinion of the Committee, guilty of neglecting this responsibility.

ALL-STATE MUSIC CAMP GUIDELINES

- 1) Any All-State Music Camp desiring to function within the state of Iowa must obtain the annual written approval of the IHSMA office prior to sending out any notification to schools.
- 2) Copies of any promotional material related to the camp (fliers, brochures, letters, etc.) must accompany the camps written request for approval.
- 3) No All-State Music camp may begin operations prior to August 1.

- 5) Camp fees cannot include the purchase of the employed music. Obtaining the All-State music remains the responsibility of the member school.

RULES AND REGULATIONS

- 1. Eligibility:** In addition to the Iowa High School Music Association Constitution, Article VI, Section 1 (P. 40), participation is restricted to ensembles from member schools of the Iowa High School Music Association and containing students enrolled in grades 7-12 only. Participating students must be currently enrolled and in good standing in an appropriate curricular musical ensemble within their school. Instrumentalists wishing to participate in an evaluative or competitive event that is instrumental in nature would need to be enrolled in a curricular musical ensemble that is instrumental in nature. (typically band or orchestra). This should be interpreted as the minimum requirement that school districts must meet. They must be in attendance at a minimum of 50% of the scheduled rehearsal sessions to be considered eligible for participation in this event. Students enrolled in 7-8 grade band and in attendance at 50% or more of the rehearsals meet the enrollment requirement for participation in Marching Band.
- 2. Registration:** Fee - \$125.00. Registration for this festival will be online. Instructions for doing so can be found online. A valid check number or purchase order number must be submitted online on or before September 11, 2014 for your registration process to be complete without penalty.
- 3.** Each participating band will be provided an archival copy of their performance. Each host site has the responsibility to provide the equipment and personnel to do so. IHSMA will reimburse each host site \$5 per band for this expense. Video footage of this festival will not be marketed for sale.
- 4.** The announcers' form must be completed in every detail, and be postmarked **first-class to your festival manager by October 1, 2014 for the North and October 8, 2014 for the South. Do not send announcer forms to the IHSMA.** Schools failing to comply with this regulation will incur a \$25 penalty.
- 5. Field:** The performance area will be defined as that area within the boundaries of a regulation-size football field plus an area 5 yards wide in front of the field **from goal line to goal line**. The end zones are not a part of the performance area; however, an ensemble may elect to **start** their show from the end zone or beyond the sidelines. The entire unit must enter the competition field within 60 seconds of the start of the actual performance. A .5-point penalty will be deducted for each 15-second (or fraction thereof) segment of violation of the 60-second entry rule. Managers shall notify participating schools in advance concerning (a) direction of the field, (b) location of judges, (c) peculiarities of the area that would restrict entrance or exit.

6. Each band will be allowed a total of 15 minutes for field entrance, warm-up, performance and field exit. Time will begin when the clock is re-set to 15 minutes following the previous band's time slot. The judges will begin judging after the drum major/majorette's salute and the announcer states, "Band, take the field." The first movement of the band or sound from the band after this command will begin the timing for the performance. Judging will cease with the salute of the drum major/majorette at the conclusion of the performance. The performance must last at least 7 minutes. A .5-point penalty will be deducted for each 15-second segment (or fraction thereof) of violation short of the 7 minutes. All personnel and all equipment must have passed the designated "clearance line" and cease all sound within the 15-minutes time limit. The "clearance line" will be designated by the festival host and will be shown to each director prior to the performance. A .5-point penalty will be deducted for each 15-second segment (or fraction thereof) of violation of the exit rule. The timekeeper will record all violations on the provided form and submit it along with the adjudication forms for tabulation.
7. A salute signaling the beginning and end of the performance is mandatory. A 1-point penalty shall be assessed to any performance not complying with this regulation. ****Directors:** If your show has an unusual feature that might be confusing to either the management or adjudicators, take a short amount of time to explain that feature to the timer so each performing ensemble has the same opportunity.
8. With the exception of command personnel who may cross and re-enter the boundaries at will, no performer may leave the performance area until the show is concluded (this assumes that if a corner, sideline or end zone entrance is employed, once the student officially enters the field, they cannot leave until conclusion). Stepping on a boundary will be considered crossing it. **Penalty:** A .5-point deduction for every observed violation of boundary regulations.
9. Marching units that employ extraneous equipment as a portion of their performance may have such equipment brought on and/or removed from the field by **non-uniformed** personnel. The employment of uniformed personnel for this purpose will result in the .5 deduction for every observed entrance/departure.
10. Amplified instruments will be allowed on the field; however, the site is not required to furnish the power or hookups for such equipment.
11. Students may retrieve dropped equipment. It will, however, be a consideration of the M&M GE and M&M Execution judges.
12. Marking time and/or excessive stopped time will be a consideration in all captions of the Marching and Maneuvering Judges.
13. Fire **WILL NOT** be permitted as a portion of any performance.
14. Judging for this festival will be on a point basis employing six different judges. The six areas of judging criteria are: Music-General Effect; Music Execution; Marching and Maneuvering-General Effect; Marching and Maneuvering - Execution; Percussion; and Color Guard. **Judging Criteria:** The criteria for each judging assignment is spelled out in detail on the adjudication forms. The point breakdown for divisional ratings is as follows:

Bands w/Color Guard	Bands w/o Color Guard
68-100 = I	61.20-90 = I
55-67.99 = II	49.50-61.19 = II
42-54.99 = III	37.80-49.49 = III
29-41.99 = IV	26.10-37.79 = IV
0-28.99 = V	0-26.09 = V

15. Entry "for comments only" is permissible for this festival. Such information must be made known to the festival manager by one week prior to the festival.
16. Divisional ratings only will be announced and posted.
17. **Any band using the flag of the United States of America in performance should consult the latest edition of the American Legion Flag Code for proper flag etiquette.**
18. **Irregularities and Protests:** Protests must be submitted to the Executive Committee for ruling. Each protest must be in writing and accompanied by the judges' ballots, the timekeeper's report and at least one of the judges' taped comments.
19. A PA system and microphone will be available.
20. Admission will be charged for this festival for all non-participants. Adults - \$5, K-12 Students - \$3.
21. Free admission for chaperones (3 per bus) will be granted by the festival management.
22. Directors may provide a "confidential statement to the adjudicators" identifying students who might be prevented from marching at an expected level of dignity and grace as a result of injury, defect or physical inability. There is no need to identify the obvious, i.e., leg in a cast, etc.
23. Each site will schedule bands for the IHSMA State Marching Band Festival according to classification 1A through 4A. Bands wishing to perform "out of classification" due to a conflict may do so but for comments only.
24. Disregarding a directive from the festival manager may be cause for withholding of a rating.

NOTICE!!! MARCHING BANDS NOTICE!!!

The Marching Band Adjudication Panel has a judge devoted just to observing and evaluating color guard as they perform with the Marching Band. For bands appearing with **no auxiliary personnel**, this excludes command personnel, the IHSMA has devised a separate proportional point scale eliminating that judge. Check the appropriate blank on the Marching Band Online Registration Form if your group meets this criteria and you wish to be evaluated as such.

Membership in curricular ensembles is required for all school districts where such ensembles exist. **Note:** Students must make a choice in the area they will audition. Students may **NOT** try out for both vocal and instrumental or on more than one instrument. **Penalty for Violation:** Removal from All-State for students involved. **Do not enter students who have a conflict with any activity.** Each student must attend all rehearsals in Ames.

Below you will find a copy of the housing rules and regulations established by the Iowa High School Music Association that will govern each student's stay during the festival. Because this festival brings together students from over 170 different schools, each with their own set of rules and expectations, it is necessary that we have a set of uniform regulations that will govern their stay while in Ames. These regulations are in place to ensure that students are well rested and ready to engage for each rehearsal. Please read these rules and regulations and understand that they will be strictly enforced. Failure to adhere to any of these regulations may result in disciplinary action up to and including dismissal from the festival. **Understand also that high school director's or chaperones have no authority to grant exception to these rules and regulations.**

All groups will meet Friday morning at the following locations:

Band	Hilton Coliseum
Orchestra	Scheman Building, Rooms 220-240

Attendance will be carefully checked at each rehearsal. **Failure to attend all rehearsals will eliminate students from participation.** Rehearsal schedules are interpreted as the actual starting time. Students should be in place at the designated time. Any All-State Chorus student who is late to rehearsal will check-in with the All-State Chorus Chair. He/she will not rejoin the chorus but will sit with their director at the back of the chorus for the remainder of that rehearsal block of time. They may rejoin the chorus for the next rehearsal. A second incident of tardiness will result in automatic dismissal from the festival. Attendance policies for the band and orchestra will be included in the folders of students accepted. **No caps or hats are permitted at any rehearsal.**

CONDUCT COUNTS

THE PARENT AND COACH/ADVISOR RELATIONSHIP

Parenting and coaching, or directing, young adults are both rewarding and challenging. Parent and coach/advisor expectations each have a significant impact on the experience students will have as they participate in co-curricular activities. Participation in co-curricular activities may be different from other experiences parents and their children have had because co-curricular activities take place in an educational setting and are part of the child's total educational experience. The purpose of co-curricular activities is the education of young people to help make them more productive citizens to society as adults. To be part of the educational program, co-curricular activities must teach students more than just the skills of the activity. They must teach life lessons that will help make students better people because they participated. When parents and coaches/advisor work together to teach these life lessons all students benefit and have a more positive experience.

I. Parents have the right to know and understand the expectations placed on them and their children. Coaches and advisors have the right to know that if parents have a concern, they will discuss it with the advisor/coach first and at the appropriate time and place.

Communication parents should expect from their child's coach/advisor:

Advisor's/coach's **philosophy**.

Expectations the coach/advisor has for the parent's son or daughter, as well as other players on the team.

Locations and times of practices and contests/performances.

Team/activity group requirements, i.e., fees, special equipment needed, school & team/activity group rules, off-season expectations.

Procedures that will be followed if your child becomes injured or ill during participation.

Communication advisors/coaches should expect from parents:

That concerns regarding the parent's son or daughter will be expressed directly to the coach/advisor at the appropriate time and place.

Specific concerns in regard to the advisor's/coach's philosophy and/or expectations.

Notification of any schedule conflicts well in advance.

II. As children become involved in interscholastic activities, they, and their parents, will experience some of the most rewarding moments of their lives. It's important to understand there may be times when things do not go the way the child and parent wish. These are the times discussion with the coach/advisor are encouraged.

Appropriate concerns for a parent to discuss with a advisor/coach:

The mental and physical treatment of your child.

What your child needs to do to improve.

Concerns about your child's behavior.

III. It is very difficult for parents to accept that their child may not be participating as much, or in the role, the parent had hoped they would. Coaches/advisors make decisions based on what they believe is in the best interests of all students participating. As one can see from the list above, certain things can and should be discussed with your child's advisor/coach. Other things, such as those listed next, must be left to the discretion of the coach/advisor.

Issues NOT appropriate for discussion with your child's advisor/coach:

How much each student is participating and the role they have.

Team strategy.

Play calling.

Any situation that deals with other students.

IV. There are situations that may require communication between the coach/advisor and parent. This communication is not discouraged, as it is important for each party to have a clear understanding of the others' position. When such communication is necessary, the following procedure is suggested to help promote resolution to the issue.

If a parent has a concern to discuss with the advisor/coach, the following procedure should be followed:

Think about the expected outcome as a result of the meeting.

Schedule a time to visit with the coach/advisor face-to-face, in private. These conversations should never take place in public, at practice, at a contest, or performance.

If the advisor/coach cannot be reached, call the activities director and ask him or her to set up a meeting with the coach/advisor for you.

Stick to discussing the facts, as you understand them.

What should a parent do if the meeting with the advisor/coach didn't provide satisfactory resolution?

Call the activities director to set up a meeting with the activities director, coach/advisor, and parent(s) present.

At this meeting, **an appropriate next step can be determined**, if necessary.

V. Students' involvement in co-curricular activities has been proven to increase their chances of success later in life. However, it is important for parents to realize that **less than 1% of students participating in co-curricular activities will make a living in that activity**. Parents should **NOT expect their son or daughter to receive a full ride college scholarship or make a living as a result of their participation in co-curricular activities because, for most, that is not reality**. Parents should encourage their children to participate in co-curricular activities because their children will have fun, enjoy being with their friends and because of the lifelong values they learn through participation.

ARTICLE IV

Administration

A. Executive Committee: Nomination and election, powers and duties.

Section 1. The Executive Committee composed of 5 members shall be elected at-large for a 5-year term: Three members of the committee shall be Superintendents or Principals of senior high member schools; one member shall represent the instrumental field and one member shall represent the vocal field of senior high member schools. **Note:** The Executive Committee has an additional member appointed by the State School Board Association. This is to meet the new statute 257.25, Chapter 9.4, Code 1966. The total membership of the committee is 6.

Section 2. A member of the Executive Committee shall be eligible to succeed him(her)-self but once and serve a total of two(2) terms (either partial or full).

Section 3. Only the Superintendent or his/her designated senior high school Principal shall have the right to vote in the nomination and election of Executive Committee members.

Section 4. Nomination and Election - When an election is to take place, the Executive Director of the Iowa High School Music Association shall electronically send an official nomination ballot to each member school by the first Friday in September. This ballot shall be a secure electronic ballot, and shall include a place on the ballot for the member submitting the ballot to key his/her name. This keyed name must be on the ballot for the ballot to count. The electronic ballots, when voted, shall be transmitted to a secure website, with the results being tallied automatically. Those results will then be provided to the Election Board. The member of the District Advisory Group from the North Central District shall serve as Elections Chair. The Election Board shall be comprised of three (3) members: The member of the District Advisory Group from the North Central District; the Executive Director of this association; and one other person designated by the Elections Chair.

On the third Friday in September, the Election Board shall meet by telephone conference for the official canvass of the ballots. The electronic results database shall be reviewed by the Election Board. The two receiving the highest number of votes shall be considered the nominees. In case

of a tie of more than two, all those in the tie shall be considered nominees. In case the number of nomination ballots for any one of the nominees is a majority of the number of member schools, that candidate shall be declared elected.

A list of schools voting shall be made from the returned electronic ballots, and together with the results of the election, be certified by the Election Board conducting the election and forwarded to the Executive Committee for publication in the next regular bulletin. The Executive Director shall then prepare and electronically send official election ballots to the member schools by last Friday in September. A place shall be provided on the ballot for the member submitting the ballot to key his/her name. This keyed name must be on the ballot for the ballot to count. These ballots shall be the same kind as those used for nominations and, when voted, shall be transmitted to a secure website, with the results being tallied automatically. Those results will then be provided to the same Election Board Chair who received the nomination ballots except when he/she is a candidate. In that case the Executive Committee shall designate some other District Advisory Group member as Elections Chair. This ballot shall only contain the names of those individuals declared nominees through the process described above. On the second Friday of October, the Election Board shall meet by telephone conference to canvass the election ballots. The procedure in canvassing shall be the same as in canvassing nomination ballots. The candidate receiving the highest number of votes shall be declared elected. A list of schools voting shall be made from the returned electronic ballots, and together with the results of the election, certified by the Election Board conducting the election and forwarded to the Executive Committee for publication in the next regular bulletin of the Music Association. In case of a tie, election shall be decided by lot by the candidates in the presence of the Executive Committee.

Section 5. Each newly-elected officer becomes a member of the Executive Committee upon notification from the Executive Director of his/her election.

Section 6. A vacancy will occur whenever a member of the Executive Committee ceases to be an executive officer or a teacher of music, as earlier defined, of a member senior high school. In case of a vacancy, the Executive Committee shall conduct an election in the prescribed manner within two weeks (except during the summer) after the vacancy has occurred to fill and complete the unexpired term. When a vacancy occurs during the summer vacation, the Executive Committee may, at its discretion, delay an election to fill the vacancy until the regular time in the fall.

Section 7. At their October meeting, the Executive Committee shall elect a President, Vice-President and Treasurer from its membership for a term of office for one year. Other officers may be elected by the Executive Committee from within its own group to carry on the business of the Association.

Modifications from the original resolution may be made from time to time by mutual agreement of both Executive Boards or the Executive Committee may, at its discretion, determine other conditions under which its Executive Director may serve.
- b. The Executive Committee shall have general supervision over all music festivals and related music activities of member schools.
- c. It shall interpret the rules of the Association.
- d. It shall provide for and supervise the purchase of suitable awards by member schools for participants.
- e. It shall decide all protests and shall fix the penalty unless otherwise provided in the rules.

Section 9. The Executive Committee shall present a full report of all official business through a bulletin distributed to all members of the Association. The Executive Director and Treasurer shall annually present a financial statement to the Association, together with an audit by a Certified Public Accountant of the previous fiscal year. An Audit Committee consisting of 3 to 5 representatives of member schools shall be appointed by the President if such action is requested.

Section 10. In matters not herein determined, the Executive Committee shall have absolute authority.

Section 11. The Executive Committee may create and place on interest a sinking fund, which shall be used only to pay a deficit in the finances of the Association, unless otherwise specifically designated for other use by the electorate.

Section 12. The Association, acting by and through the Executive Committee, may accept contributions and bequests for the purpose of awarding scholarships that conform to the standards promulgated by the Internal Revenue Service and the Iowa Department of Revenue. The requirements and qualifications of the scholarship award will be communicated annually to the member schools.

**ARTICLE V
State Festivals**

Section 1. The State Festivals shall be held on dates established by the Iowa High School Activities Federation.

Section 2. Registration for any Association festival must be completed by at least 30 days prior to the festival in which the school is participating.

Program and Certification

Section 3. The certification of eligibility of participating pupils must be sent to the Executive Director with the official registration.

Judges for Festivals

Section 4. All judges will be selected and employed by the Executive Committee. No person shall

be selected as a judge for an event who has coached any of the participants, or who is in any way connected with the schools represented by the participants.

All solo and small group events shall be judged by one judge. The Executive Committee shall determine the appropriate number of judges required by each of the large group events.

Rating of Participants

Section 5. The Executive Committee of the Iowa High School Music Association retains the authority to establish the rating system that will be utilized for each festival event.

Festival Reports

Section 6. A complete report giving the final ratings of all participants must be mailed to the Executive Director of the Association by the manager of each festival promptly following the completion of the event.

ARTICLE VI

Eligibility

Section 1. All participants must be enrolled and in good standing in a school that is a member or associate member in good standing with the Iowa High School Music Association. All participants must be under 20 years of age. All participants shall be enrolled students of the school and in good standing; they shall be enrolled in at least four full-credit subjects, each of one period or "hour" or the equivalent thereof, at all times. Coursework taken under the provisions of Iowa Code chapter 261C, postsecondary enrollment options, for which a school district or accredited nonpublic school grants academic credit toward high school graduation shall be used in determining eligibility.

Each contestant shall be passing all coursework for which credit is given and shall be making adequate progress toward graduation requirements at the end of each grading period. "Grading period," graduation requirements, and any interim periods of ineligibility are determined by local policy. For the purposes of this rule, "grading period" shall mean the period of time at the end of which a student in grades 9 through 12 receives a final passing grade and course credit is awarded.

If at the end of any grading period a participant receives a failing grade in any course for which credit is awarded, the participant is ineligible to participate in any competitive event sanctioned by the IHSMA or any IHSMA sponsored event that is non-graded (event doesn't effect course GPA) within a period of 30 consecutive calendar days. The period of ineligibility will begin with the first school day following the day grades are issued by the school district.

A student with a disability who has an individualized education program (IEP) shall not be denied eligibility on the basis of scholarship if the student is making adequate progress, as determined by school officials, towards the goals and objectives on the student's individualized education program.

The maximum period of eligibility while in grades 7 and 8 shall be 4 semesters. The maximum period of eligibility while in grades 9 through 12 shall be 8 semesters. Pupils below the 9th grade may not participate in solo events.

A soloist, except piano, must be a member of the appropriate high school musical organization, if such exists, and must appear with that organization if it participates in any of the programs of the Association.

Classification

Section 2. The classification of member schools shall be determined by the Executive Committee and reviewed on an annual basis. The Association shall use the current year's official 9-11 enrollment as reported on the BEDS document to the IHSAA to determine classifications for the ensuing year. There will be a minimum of four classes that will divide the membership into classes of relative equal opportunity for students. Classifications are as follows:

Class 4A: 9-11 enrollment of 600 or more students

Class 3A: 9-11 enrollment of 275-599 students

Class 2A: 9-11 enrollment of 150-274 students

Class 1A: 9-11 enrollment of 149 or less students

Each school shall enter the class where it belongs as shown by the above classification except as hereinafter provided. A school may elect to participate in the class next highest in enrollment, in which case it shall participate in that class in each event it enters. The choice to enter a next higher classification shall not be made later than May 1st of the preceding school year.

Number of Entries

Section 3. There is an unlimited entry for member schools into the large group festival provided there

is no duplication of personnel.

The number of participants or entries into the various programs of the Association will be set by the Executive Committee and may vary from program to program.

Time Limit

The time limit of each event shall be as prescribed by the Executive Committee. The time will be computed from the beginning of the first selection. An official timekeeper shall signal when the time limit has been reached. Entrants who do not stop as the signal is given shall be reported to the Executive Committee by the festival manager.

If directors do not comply with this direction, they shall be reported to the Executive Committee and announcements of rating withheld.

Conductors and Accompanists

Section 4. Only a school approved sponsor, or an eligible student, shall be permitted to direct any participating organization. Directors of vocal groups may not sing with their organizations or may directors of instrumental groups play with participating instrumental organizations.

This shall not be interpreted to prevent a vocal director playing a piano accompaniment for a participating group.

Small groups, both vocal and instrumental, must participate without direction unless exception is provided by the Executive Committee.

Judge Information

JUDGING REQUIREMENTS

Persons interested in serving the Iowa High School Music Association as an adjudicator are directed to meet three criteria established by the Executive Committee:

1. You must have taught successfully in the area of adjudication for five years.
1. You must attend an adjudicator's certification clinic session.
1. You must be recommended, in writing, to the IHSMA office by two people currently on the "Approved" adjudicator listing.

BASIC IHSMA ADJUDICATION CERTIFICATION CLINICS

The Iowa High School Music Association will conduct Adjudicator Certification Clinics in late August for wind, percussion, and string adjudicators; and in late September for vocal adjudicators. These sessions will operate between the hours of 7:00 – 9:00 p.m. **You must register for attendance in advance of the clinic. Registration is required for all certification clinics as a means of guaranteeing the correct amount of materials.**

Five different sites have been selected geographically for each discipline. A site will not open if less than five (5) people will be in attendance. If a site will not open because of insufficient enrollment, we will attempt to schedule you into a nearby site on a different date.

REGISTRATION FOR ATTENDANCE MUST BE BY TELEPHONE ONLY! Call the Association office (515-432-2013), ask for Donna, to reserve a place at the session you have chosen to attend. **This must be done by August 18 for Instrumental adjudicators and by September 2 for vocal adjudicators.**

Noteworthy Decisions of the Executive Committee - cont.

Show Choir, Jazz Choir, Jazz Band: eliminated the requirement that instrumentalists be in a curricular ensemble that is instrumental in nature and that vocalists be in a curricular ensemble that is vocal in nature. The regulation now reads “Participating students must be currently enrolled and in good standing in an appropriate curricular musical ensemble within their school.”

Copyright: modified the existing copyright statement to read “Directors cannot rewrite parts to accommodate a specific solo or ensemble or eliminate voice parts without securing “Permission to Arrange” from the publisher. Instrumental substitutions are acceptable providing students read from the published part or from cues written into a published part. Directors wishing to create a transposed part must secure “Permission to Arrange”. That permission must be attached to each set of music presented to the adjudication panel. Cuts made in any selection should only be made to bring the performance within the time constraints of the festival and should only eliminate unnecessary repetition. Cuts should NOT be made to avoid overly difficult passages. Piano (accompaniment) introductions and lengthy piano (accompaniment) interludes are acceptable places to cut.

Solo/Small Ensemble: Added a regulation stating “Musical Theatre literature selections should be of good quality. Directors are encouraged to pair a selection from Musical Theatre with a contrasting selection in the classical or art song style. The IHSMA website will list resources for your consideration. Adjudicator concerns regarding choice of literature will be addressed on the adjudication form under “other performance factors”.

Solo/Small Ensemble: Chamber Choir - increased maximum number of participants from 24 to 28.

Solo/Small Ensemble: add a Copyright Concerns caption that reads: Students must perform from a purchased copy (original). Exceptions: 1. Unperformable page turns may be duplicated. 2. Exceptions noted within the US Copyright Law and IHSMA Festivals sections.

Large Group Festival: revised the Duplication of Personnel regulation to read “Students may participate in multiple “like” curricular ensembles provided they are enrolled in each curricular ensemble and there is no duplication of literature performed.”

Large Group Festival: eliminated the grade level requirements associated with the Required Literature List for Vocal Ensembles.
