

## Judge Information

### **JUDGING REQUIREMENTS**

Persons interested in serving the Iowa High School Music Association as an adjudicator are directed to meet three criteria established by the Executive Committee:

1. You must have taught successfully in the area of adjudication for five years.
1. You must attend an adjudicator's certification clinic session.
1. You must be recommended, in writing, to the IHSMA office by two people currently on the "Approved" adjudicator listing.

### **BASIC IHSMA ADJUDICATION CERTIFICATION CLINICS**

The Iowa High School Music Association will conduct Adjudicator Certification Clinics in late August for wind, percussion, and string adjudicators; and in late September for vocal adjudicators. These sessions will operate between the hours of 7:00 – 9:00 p.m. **You must register for attendance in advance of the clinic. Registration is required for all certification clinics as a means of guaranteeing the correct amount of materials.**

Five different sites have been selected geographically for each discipline. A site will not open if less than five (5) people will be in attendance. If a site will not open because of insufficient enrollment, we will attempt to schedule you into a nearby site on a different date.

**REGISTRATION FOR ATTENDANCE MUST BE BY TELEPHONE ONLY!** Call the Association office (515-432-2013), ask for Donna, to reserve a place at the session you have chosen to attend. **This must be done by August 18 for Instrumental adjudicators and by September 2 for vocal adjudicators.**

## Noteworthy Decisions of the Executive Committee - cont.

**Show Choir, Jazz Choir, Jazz Band:** eliminated the requirement that instrumentalists be in a curricular ensemble that is instrumental in nature and that vocalists be in a curricular ensemble that is vocal in nature. The regulation now reads “Participating students must be currently enrolled and in good standing in an appropriate curricular musical ensemble within their school.”

**Copyright:** modified the existing copyright statement to read “Directors cannot rewrite parts to accommodate a specific solo or ensemble or eliminate voice parts without securing “Permission to Arrange” from the publisher. Instrumental substitutions are acceptable providing students read from the published part or from cues written into a published part. Directors wishing to create a transposed part must secure “Permission to Arrange”. That permission must be attached to each set of music presented to the adjudication panel. Cuts made in any selection should only be made to bring the performance within the time constraints of the festival and should only eliminate unnecessary repetition. Cuts should NOT be made to avoid overly difficult passages. Piano (accompaniment) introductions and lengthy piano (accompaniment) interludes are acceptable places to cut.

**Solo/Small Ensemble:** Added a regulation stating “Musical Theatre literature selections should be of good quality. Directors are encouraged to pair a selection from Musical Theatre with a contrasting selection in the classical or art song style. The IHSMA website will list resources for your consideration. Adjudicator concerns regarding choice of literature will be addressed on the adjudication form under “other performance factors”.

**Solo/Small Ensemble:** Chamber Choir - increased maximum number of participants from 24 to 28.

**Solo/Small Ensemble:** add a Copyright Concerns caption that reads: Students must perform from a purchased copy (original). Exceptions: 1. Unperformable page turns may be duplicated. 2. Exceptions noted within the US Copyright Law and IHSMA Festivals sections.

**Large Group Festival:** revised the Duplication of Personnel regulation to read “Students may participate in multiple “like” curricular ensembles provided they are enrolled in each curricular ensemble and there is no duplication of literature performed.”

**Large Group Festival:** eliminated the grade level requirements associated with the Required Literature List for Vocal Ensembles.
