

Competition Suite

Instructions for Schools

Prior to event:

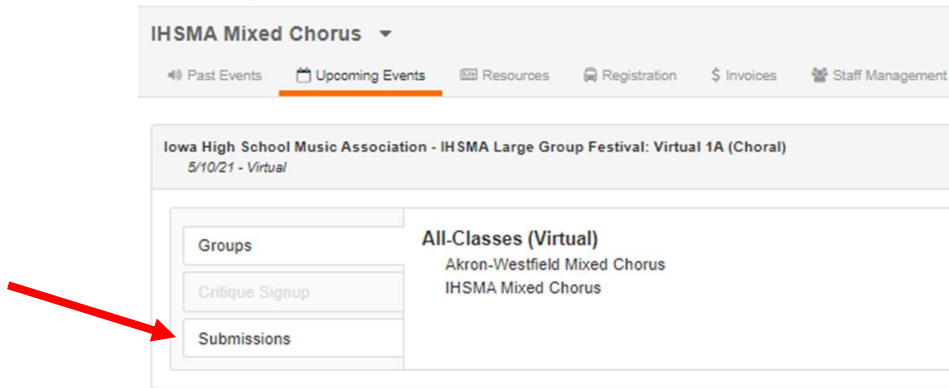

1. Login and add your cell phone number to your profile. If you fail to do this, you will NOT be getting notifications from CompetitionSuite when results and adjudicator commentary are released and ready for you to view/listen to. To do so:
 - a. Login to CompetitionSuite.com
 - b. Click on the settings icon (little gear in top righthand corner)
 - c. Enter your cell phone number and select "Update Personal Information".
 - d. If you want your information sent to a second email address you can add that email address in the next section below and give it the desired permissions.
2. Virtual participants:
 - a. Each of you need to prepare single (1) pdf of the score(s) you will be performing (make sure they are in order). To upload that pdf and your performance recording:
 - i. Select the performing group from the left had menu under the "Groups" section.

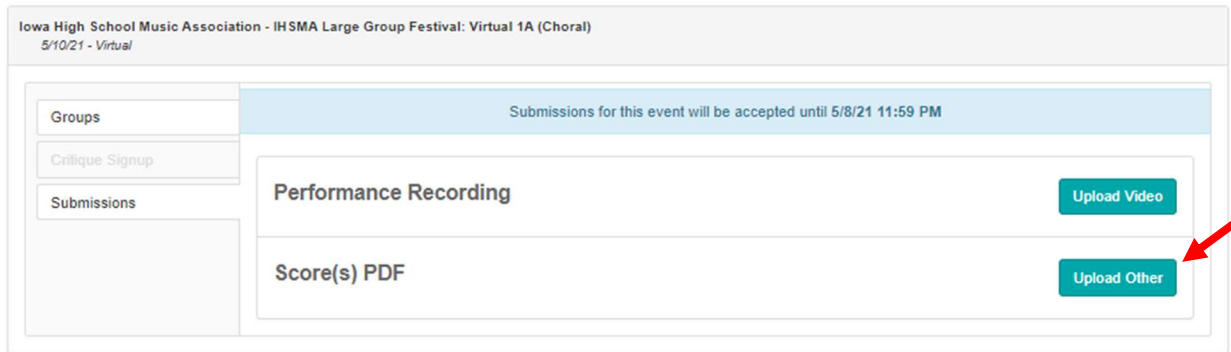

- ii. Select the "Upcoming Events" menu item

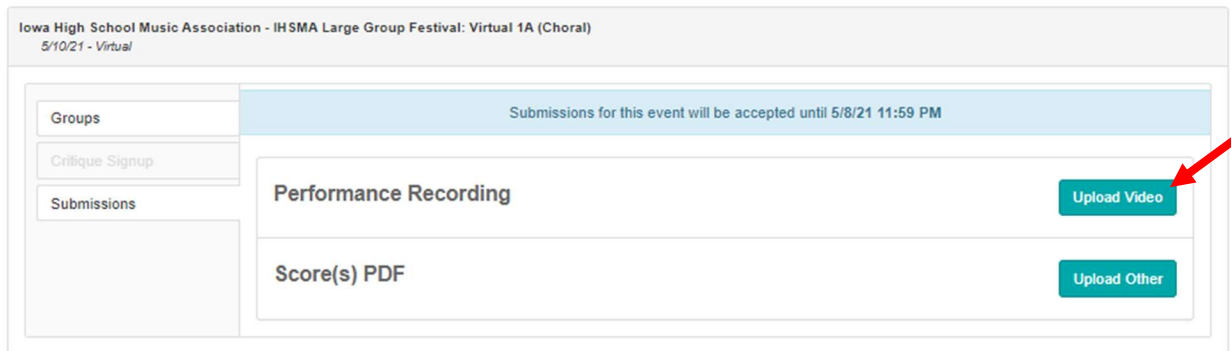

iii. Select the "Submissions" item from the Lefthand menu

iv. Select the "Upload Other" button from the "Score(s) PDF" item

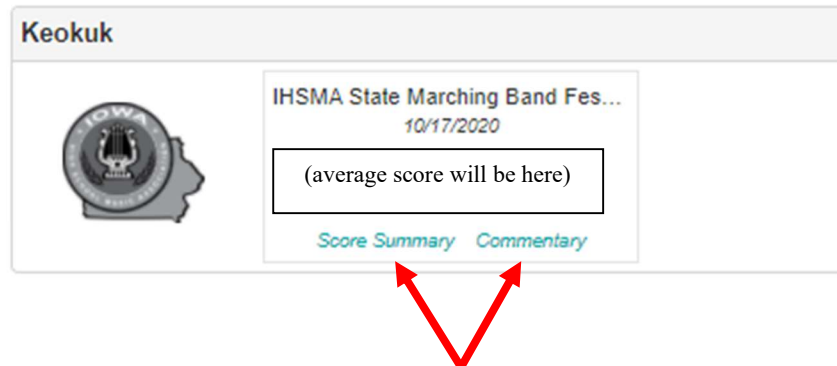

v. Select the "Upload Video" button from the "Performance Recording" item.

On the Day of Festival:

1. On the day of festival, you will receive text notifications from CompetitionSuite letting you know once judging is complete and your verbal commentary, scores, and divisional rating have been released and are ready for you to review. Here's how you do that:
 - a. Login to CompetitionSuite
 - b. You'll now see a box that show's your total score of the ballot that was in the middle (the IHSMA rating system is such that it boils down to the following process – throw out the high score, throw out the low score and what's left determines your rating. The score displayed is that middle score that determines the rating.)

- c. Select the “Score Summary” link to view your judge ballot results. Here’s a sample of what that might look like:

- d. Select “Commentary” and you’ll see a screen that looks similar to this (this is a Marching Band summary so you see caption designations for each judge that you won’t see when there are no specific captions each judge is responsible.)

The screenshot shows a table of judges and their assigned pieces for the IHSMA - IHSMA State Marching Band Festival (10/17/20 - Virtual). The table has columns for judge names and piece names, and action buttons for 'Play', 'Download', and 'View Score Summary'. Two red boxes labeled 'Play' and 'Download' are positioned above the first row, with red arrows pointing to the play and download icons respectively.
