This information **MUST** be shared with your music staff and activity director in order to coordinate your school calendar for the 2021-2022 school year.

REMINDERS:

1. Member schools may participate in the next larger classification by submitting a letter of request bearing the signature of the music staff and a high school administrator. **Submit this letter prior to May 30 so planning for the upcoming year can be completed accurately prior to summer vacation.**
2. **IMPORTANT:** Schools not in session the week prior or the week following the assigned IHSMA Solo/Small Ensemble Festival date may petition the IHSMA to participate on one of the other 2 IHSMA Solo/Small Ensemble Festival dates. All petitions must be signed by the school's administration and submitted no later than May 30. Accepted petitions will be grouped by classification when reasonable groupings exist; otherwise schools will be grouped with schools from the next higher or lower classification. 4A schools petitioning to participate on the Class 2A date will NOT be grouped with Class 2A schools. There must be enough Class 4A schools (3 or more within a reasonable geographic distance) requesting the Class 2A date to create a separate Class 4A festival grouping.

Class 4A	=	600+ students in grades 9-11
Class 3A	=	275 - 599 students in grades 9-11
Class 2A	=	150 - 274 students in grades 9-11
Class 1A	=	149 or less students in grades 9-11

2020-2021 has been an extremely challenging year but a year of outstanding high school music performances and participation as well as a year of great challenge and perseverance. Thank you for your efforts in enriching the lives of Iowa students.

Sincerely yours,

Alan Greiner, Executive Director
