Dear Administrators and Music Directors,

We hope this letter finds you well! As we continue our journey through the spring semester, we are looking ahead to next year. We hope that you would consider hosting one of our Iowa High School Music Association State events for the 2024-2025 school year.

108 member schools will have hosted an IHSMA event by the end of this current school year. These host sites generate income for their district, provide an advantage for the host students by performing on their "home court," **save on travel expenses**, provide a venue while showing off their beautiful facilities and community, and serve thousands of Iowa high school musicians with an excellent festival program!

Please indicate your preference of events to host on the lower portion of this sheet and return it to our office prior to May 1 via email to cassie@ihsma.org or by mail.

Thank you for your consideration!

Thad Driskell, Executive Director
