

Copyright Compliance: License Verification System

2025 JAZZ BAND, SHOW CHOIR, and JAZZ CHOIR

It is the requirement of the Iowa High School Music Association that every music performance occurring at every event sponsored by the IHSMA be U.S. Copyright Law compliant. To ensure this, the IHSMA will be utilizing the License Verification System through ClicknClear for the IHSMA State Jazz Band, Show Choir, and Jazz Choir Festivals. Each performing ensemble MUST have their information submitted through this database prior to being allowed to perform at the desired IHSMA event.

Please do the following:

1. Copy and paste the following link in your browser:
<https://verification.clicknclear.com/my-seasons/season/46/invite?token=dbba99dabd1192c8c58f7dd7798af585&lp=nfhs>
2. Login or Sign Up to create an account for nfhs.clicknclear (but use the link above)
3. Enter your ensemble name.
4. Enter your email as the person who is submitting the music licenses for your ensemble.
5. Specify the source of your music license. Use the 'License Source' dropdown on the dialog box to select one of five sources for your music license:
 - A. License(s) purchased from ClicknClear.
 - B. License(s) for bespoke music (i.e., fully original music that you have created specifically for your participants).
 - C. Stock Arrangement physical copies you have purchased.
 - D. Proof of public domain status for song(s) used in your program.
 - E. Other third-party licensed sources.
