## **Performance Etiquette for Attending Fine Arts Events**

**Please refrain from talking during the performance.**

- While you may only be whispering, it does create a distraction for those around you.
- This also includes whispering to or disciplining your other children.

**Please turn off/silence all pagers, cell phones, and watch alarms.**

- These can be very distracting to the performers and others in the audience.

**Do not wave to your child/friend during the performance.**

- This creates a distraction for the performer and others in the audience.

**Refrain from using flash photography during the performance.**

- Flash photography is a distraction and creates a dangerous atmosphere for the performers.

**Applaud at appropriate times.**

- Formal Concert – at the end of each selection - not after each movement.
- Jazz Concert – at the end of each selection or to recognize the efforts of a soloist.
- Theatre Production – after each act/scene.

**Do not leave as soon as your child's portion of the performance is over.**

- All of the students deserve a full audience for their performances.
- Remember that the next time, your child's performance might be scheduled last.
- In the contest/festival environment, it is appropriate to leave once the door has been opened.

**Do not leave while the performance is in progress.**

- If you need to use the restroom, do so between musical numbers or between scenes.

**Arrive at the performance with a positive attitude.**

- Your child is sensitive to your attitude towards their performance. Their performance may very well reflect your attitude.

**Audience use of signs, banners, and artificial noise makers is strictly prohibited within performance centers.**
